Our Loving God:

Loving God: The Teachings of Bernard of Clairvaux Ellyn Sanna, 2011-05 Love is the essence the very substance of God Bernard of Clairvaux had a tremendous influence on the eleventh century and his understanding of Divine love can still inspire and challenge us Anamchara's modern version of Loving God brings Bernard's teachings into the twenty first century allowing modern mystics the opportunity to once again sit at the feet of this great theologian All things are ordered measured numbered and weighed by love's structure and nothing is left outside love's realm Bernard of Clairvaux [Do You Really Love God?](#) Godsword Onu, 2015-03-30 To love God is to cherish and esteem God with your whole being spirit soul and body It is to keep His Word and Commandments and also to serve Him with your whole heart To love God is to put God first before any other person or thing and to not offend or displease God because of any person desire or thing How do we prove that we love God We show and prove that we love God by keeping His Word and Commands If we say that we love Him but do not obey what He tells us to do where then is the Love of God in us Another way by which we prove our love for God and to Him is by serving Him and seeking for the wellbeing of His Kingdom Next if you love God and really love Him the love that you have for God will keep you from doing certain things saying certain things and behaving certain ways This is no joke If your Christian life is the one in which you yourself determine and decide what to obey and what not to obey then you do not love God **Our Loving God** Thomas B. Warren, 1963-01-01 **Loving God** Deborah Tarver Waters, 2022-06-03 How do you love God How does a loving God allow difficult things to happen in your life Can you even believe that God exists The secret to loving God is trusting in His word and learning from and living through the stories found in the Bible We can love God through prayer through obedience and through faith We can even love God when we suffer Loving God will help you grow in Him and help build the foundation to trusting and loving the Creator of the heavens and the earth Deborah Tarver Waters invites us to join her on a spiritual odyssey that takes us deeper into an exploration of God's love for us and our love for Him Through personal witness and candid sharing Tarver Waters illustrates how God's gracious loving pursuit of us opens the door for a healing and transforming relationship with Him *Preventing Love: or, God's love to us, the cause of our love to Him. Being a sermon, preached on 1 John iv. 19, etc* Ralph Erskine, 1764 *Our Highest Good* Mary Wiley, 2024-07-30 Do you want to know and love God more deeply Read theology every day When peace seems far from us and when true rest doesn't come we don't need more to do on our list or a set of step by step instructions to help us get there on our own True peace hope and rest only comes by spending time in the presence of God Spend 90 days in His Word focused on who God is and what He is like and find that He is worthy to be trusted at every twist or turn of life He is better than our minds can imagine in control of all things and infinitely good As you do you will find peace in His sovereign care enjoy security in His promise of eternity experience joy in His great love for you rest in the God who never sleeps trust God for your every need find comfort in His Spirit learn to live out your faith as an overflow of His glorious grace God is the sustainer of the rhythms

of the skies and seasons as well as the intricate rhythms of our lives To dwell in His presence is the promise of salvation the abundant life in Christ today and the eternal life with Him in the future While the ways of the world lead to death His invitation is to come and live He truly is our highest good God's Claims to our Love. A sermon [on Luke x. 27] preached at the visitation of ... the Archdeacon of Barnstaple in the Parish Church of Southmolton, on June 17, 1862, etc William SADLER (Vicar of Coleridge.),1862 Living Zen, Loving God Ruben L. F. Habito,2004 Explores the state of Christ consciousness and the experience of divine presence that can be awakened by Zen practice *What a Dog Can Teach Us about Loving God* Tuck W. Choo,2025-08-15 Jesus tells us to love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength Mk 12 30 Is that possible What does that even look like Can it truly be a joyful experience It is something that we may struggle to comprehend much less feel And many Christians are finding it hard to read understand and follow what the Bible says about loving God because of our state of fallenness Can a man's relationship with a dog have something to teach us about loving our Master In the Bible we see that God uses references to many everyday things He speaks of the harvest the vine water bread deer sparrows and the list goes on In fact He refers to Himself as a Lion and also a Lamb He even took the form of a man to help us understand who He is And Jesus did talk about dogs when He walked on earth Skeptical This book is based on my life with a five year old yellow Labrador Retriever name Truffle This is not pet theology or apawlogetic woof but a book of dog analogies to remind us that we have a loving Master One who is most worthy of our love May you be blessed reading it as much as I have been blessed writing it Love Language of God James W. Sheets,2011-02-01 Author James Buddy Sheets gives a clear picture of the love of God as He intends for us to understand it In the busyness and activity of our modern lives it is easy to forget that love relationship that the Lord so desires to have with every believer A clear image of that loving relationship between Christ and His Bride the church is outlined here for those who would like to have a closer more intimate relationship with the Savior Don't let that intimate relationship with Jesus get lost in the everyday hubbub of life *The Hole in Our Gospel* Richard Stearns,2009-03-10 WHAT DOES GOD EXPECT OF US Is our faith just about going to church studying the Bible and avoiding the most serious sins or does God expect more Have we embraced the whole gospel or a gospel with a hole in it Ten years ago Rich Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns' journey there took much more than a long flight to Africa It took answering God's call on his life a call that tore him out of his corner office at one of America's most prestigious corporations to walk with the poorest of the poor in our world The Hole in Our Gospel is the compelling true story of a corporate CEO who set aside worldly success for something far more significant and discovered the full power of the gospel of Jesus Christ to change his own life He uses his journey to demonstrate how the gospel the whole gospel was always meant to be a world changing social revolution a revolution that begins with us ECPA 2010 Christian Book of the Year Award Winner Read this compelling story and urgent call for change Richard Stearns is a

Pitzen,2021-03-12 How can I love someone I have never seen We may experience a form of love for a character we read about in a book or see in a movie but is that anything like the love we feel for someone we know Is our love for God just a form of admiration that we might feel for a hero in a novel or the long deceased subject of a biography God is not the long dead subject of a book He is a living breathing person How then can we learn to love Him as a real person There is a remnant that truly desires to know God in a deeper more meaningful way This How To Love God Guidebook is a tool for such a time as this **The Verdict Is In** Wendy Salyers,2003-04 **The Pleasure of Loving God** Mike Bickle,2013-07-15 Here s an ultimate portrait of a loving Father one to whom we can come for a fresh supply of truth and beauty day by day In the process we ll awaken a fervent devotion to our heavenly Lord As we employ the Great Commission in our daily lives we also discover the joy and pleasure of being a vehicle through whom Christ s own prayers are lived out in the world Prepare to encounter God His awesome loving presence in your daily life God s Power His active supernatural role in your daily life Your

True Identity in God His view of you A Fresh Awakening and Understanding of God s Majesty His plans to bring you to new heights of joy and peace that you never thought possible The Pleasures of Loving God is a call to accept God s all encompassing love for you something that is already yours not anything that you have to earn or win Loving God Andrea Lafountain, PhD,2021-01-04 The single most important task for any Christian is to love God with all their heart with all their soul and with all their mind But what does loving with the mind look like How can we know if our soul love is real And how do we grow in our heart love In this practical and persuasive book Dr LaFountain breaks down these three very distinct types of love She presents each one on a continuum and provides psychological tools for the reader to self evaluate their placement along the continuum Biblical and psychological strategies are provided that help the reader navigate their heart soul and mind towards fully loving God Understanding the uniqueness of the three types of love and how to apply each to our relationship with God allows us to fulfill the first and greatest commandment of loving God Then perhaps when we finally meet God face to face we will hear Well done my good and faithful servant *The Catechism Explained* Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface *Heart, Soul and Strength* Lorenzo Soto García,2021-02-11 different way We regularly use the word to refer to feelings and emotions it is understood that it is the part of our body that generates and houses them Likewise we see how God through his word uses this term to refer to the heart as the seat of attitudes emotions and intelligence where our feelings Children are a blessing from heaven they give meaning to marriage they are the future of a nation they are the hope of tomorrow and they are the joy of home Most parents want to give their children the best when they are born parents want to give them love affection and the best nutrition they want to give them the best possible education at school and home A good father wants to be an example to follow for his children and that is why he tries to be a better person every day so that his children become good citizens tomorrow Many parents would like their children to be important people who contribute to society and become famous and recognized by their eminences I want to ask you How are we handling the gift of God in our lives What are we doing to develop it What are we doing to take care of them And what are we willing to leave for those ministerial children You will see your son as your gift of singing preaching helping advising but you can also see it as a gift to your house vehicle or goods because God will one day ask you why you did what he gave you The life of the Christian is compared to a career the apostle Paul mentions it

to Timothy in one of his letters we are compared to high performance athletes and therefore we must exercise ourselves in faith we must healthily feed ourselves and it is also necessary that we imitate the best those who are in the hall of fame of the faith The main biblical basis for this book is found in Hebrews 12 1 2 1 Therefore we also having around our great cloud of witnesses let us strip ourselves of all weight and of the sin that besieges us and let us run with patience the race that we have ahead 2 set our eyes on Jesus the author and finisher of the faith who for the joy set before him suffered the cross despising the shame and sat at the right hand of the throne of God The author of Hebrews is unknown many say that the author was Paul but others say that it was Barnabas Silas and Apollo or perhaps he was an anonymous writer What we do know is that the author had extensive knowledge of the law and the prophets and Jewish customs Most likely this book was written in the year 68 after Christ from Italy and the recipients a group of Jews Palestine Italy Egypt Asia Minor and Greece who were going through difficult times because at that time the Judaism had the protection of Roman law Christianity instead did not enjoy such freedom and protection Christians were faced with the dilemma of whether they should continue to profess Christianity and incur dangers and even death or turn to Judaism and thus evade the problems and dangers involved in following Christ The writer reminds them that Christ is greater than angels greater than Moses Christ is our law our high priest our slain lamb and our salvation *Ecclesia. Church Problems Considered in a Series of Essays* Henry Robert Reynolds, 1870 The Law of Moses Abraham Pereira Mendes, 1908 **The Works of Aurelius Augustine: Writings in connection with the Manichaean heresy, translated by Richard Stothert. 1872** Saint Augustine (of Hippo), 1872
