

GLOBAL TRENDS

The background is a vibrant blue digital landscape. On the left, a semi-transparent globe shows a grid of latitude and longitude lines. To the right of the globe, a red line graph trends upwards, accompanied by a series of vertical blue bars of varying heights, resembling a stock market or data visualization. The foreground is dominated by a perspective grid of glowing blue squares and circles, some of which are connected by thin lines, creating a sense of depth and technological connectivity. A bright, multi-colored lens flare emanates from the center where the globe and the graph intersect.
