This book shows you how to effectively conduct statistical analysis in both R and SPSS without getting overwhelmed by complex theories and formulas. It is a practical manual that uses worked examples to help you get to grips with running statistical tests using commonly used software. Straightforward and clear, it assumes no prior knowledge and calmly takes you from reading the first page to completing your own analysis. It also covers a range of statistics taught at undergraduate level. Presents varied adaptable solutions to common problems. Embeds road-tested best practice into every stage of your analysis. Provides you with programming skills that boost your employability. Gives any essential theory in a simple, easy-to-follow manner. Supports understanding and communicating findings effectively. Helps to bridge the gap between using SPSS and R. If you want to strengthen your grasp of statistics, overcome statistics anxiety, or just pass your course, this is the guide for you.

Written with a focus on the English Language Arts Common Core Standards, this book provides a complete plan for developing a literacy program that focuses on boys pre-K through grade 12. Despite the fact that reading and literacy among boys has been an area of concern for years, this issue remains unresolved today. Additionally, the emphasis and focus have changed due to the implementation of the English Language Arts Common Core Standards. How can educators best encourage male students to read, and what new technologies and techniques can serve this objective? *The Common Core Approach to Building Literacy in Boys* is an essential resource and reference for teachers, librarians, and parents seeking to encourage reading in boys from preschool to 12th grade. Providing a wide array of useful, up-to-date information that emphasizes the English Language Arts Common Core Standards, the bibliographies and descriptions of effective strategies in this book will enable you to boost reading interest and performance in boys. The chapters cover 16 different topics of interest to boys, all accompanied by a complete bibliography for each subject area, discussion questions, writing connections, and annotated new and classic nonfiction titles. Information on specific magazines, annotated professional titles, books made into film, websites, and apps that will help you get boys interested in reading is also included.      The Publishers Weekly, 1926      **The English Catalogue of Books**, 1897      *Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999* Jeff Herman, 1997.
