**Marriage** Susan Ferrier,1860      **The Story of a Marriage** Geir Gulliksen,2018-07-24 A dramatic portrait of the dissolution of a marriage written with brutal and lyrical precision and nominated for the Nordic Prize Jon who is losing his wife to another man is trying to understand what happened to his Great Love by working painfully to see the story from her perspective It begins as he asks her Can you tell me about us As he looks to his past and within himself he begins to question the conventions of masculinity and femininity understanding himself uncommonly as a man who challenges the male role he s deeply embedded in family life and identifies as sensitive vulnerable and nurturing And finally in an effort to understand how his wife could fall in love with someone else he attempts an ultimate act of empathy to tell the story from the other man s point of view raising crippling questions Is it possible to have sex without violating oneself or the other How much of what we think is love is only projection Is it possible to truly know another person With prose unsettling in its precision and emotional heft *The Story of a Marriage* cracks wide open the familiar story of a failed love as it turns cliched phrases over and over again until they crumble revealing a bitter hollowness or ringing new meanings      *A Happy Marriage* Rafael
