## **Marriage Divorce Remarriage:**

**Put Away But Not Divorced** Robert Waters, 2012 Because of the ramifications divorce and remarriage is one of the most hotly debated biblical issues in the church today Many people find this issue to be a challenging subject Preachers and dedicated Bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced or has divorced may marry again Yet Christians are far from united on this issue Many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject Others are so fully convinced they have the answer and that what they know is so vital to truth and morality they will have no fellowship with those who differ with them Does God intend for divorced women to remain celibate Will divorcees be judged as having committed a sin by remarrying Do you know what the Bible actually says concerning marriage divorce remarriage MDR In his honest look at MDR Robert Waters examines the Greek word *apulo* put away and discusses its true meaning in the context of Jesus s time Through this examination to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments Waters guides the reader to a better understanding of MDR and God s intention for divorce in Put Away but Not Divorced

**Remarriage after Divorce in Today's Church** Zondervan, 2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**What the Bible Really Says about Marriage, Divorce, and Remarriage** Ed Dobson, 1986-01-01 *Divorce and Remarriage in the Bible* David Instone-Brewer, 2002-06-07 Through a careful exploration of the background literature of the Old Testament the ancient Near East and ancient Judaism Instone Brewer constructs a biblical picture of divorce and remarriage that is directly relevant to modern relationships **The 1249 Club** Russ Brown, 2018-02-02 Russ has personally experienced the destructive cycle of marriage divorce and remarriage in his and his family's lives multiple times

Unfortunately in the Western world today the common statistics of marriage failures are one out of two first marriages fail two out of three second marriages fail and four out of five third and on marriages fail Russ has now written The 1249 Club for 1 those who are married and want to be married 2 those who are married and do not want to be married and 3 those who are not married and want to be married The 1249 Club aims to scripturally help many to 1 avoid marriage for the wrong reasons 2 strengthen existing marriages 3 save troubled marriages 4 spark forgiveness and reconciliation between separated or divorced couples 5 save families where possible and 6 lower the divorce rate to 1 out of 1 250 Another way of saying it is The 1249 Club teaches married couples divorced couples and singles the subtle causes devastating consequences and achievable cures of breaking the marriage covenant The cause of divorce is selfish sinful and unloving behavior and the cure of divorce is selfless sinless and loving behavior When divorce occurs the hurtful consequences are life altering and unending for generations The consequences can be avoided when divorce never occurs but results in confession repentance forgiveness and reconciliation The 1249 Club teaches these biblical principles and how to apply them They are simple but make no mistake not easy yet with God all things are possible Get the book and 1 listen to the teachings 2 hear the teachings

in your spirit 3 understand the teachings and 4 apply the teachings to your lives That and God will make a difference in your marriage journey     Marriage, Divorce, Remarriage Andrew J. Cherlin,1992-09-28 With roller coaster changes in marriage and divorce rates apparently leveling off in the 1980s Andrew Cherlin feels that the time is right for an overall assessment of marital trends His graceful and informal book surveys and explains the latest research on marriage divorce and remarriage since World War II Cherlin presents the facts about family change over the past thirty five years and examines the reasons for the trends that emerge He views the 1950s when Americans were marrying and having children early and divorcing infrequently as the aberration and he discusses why this period was unusual He also explores the causes and consequences of the dramatic changes since 1960 increases in divorce remarriage and cohabitation decreases in fertility that are altering the very definition of the family in our society He concludes with a discussion of the increasing differences in the marital patterns of black and white families over the past few decades     **Marriage, Divorce, and Remarriage** Jerry F. Bassett,

**Marriage, Divorce, Remarriage** CHARLES J. KRIESSMAN,2015-07-10 An extremely important subject as marriage is given a cogent examination in this book A definition of marriage as given by God is presented as an inalienable institution not to be altered in any way Yet today we see that marriage has been redefined and changed in a way as to nearly render it unrecognizable The author presents a short walk through the secular history of traditional marriage as a practice many thousands of years old Chapter 2 is God s intention for how marriage was intended to be and how it relates to the Church as being the Bride of Christ Also included in the chapter is the lofty exposition of the marriage of Solomon and Naaman in the Song of Solomon After an explanation of the difference between fornication and adultery two examples are given of how sinful marriages can affect the Church of God and His preparation of a chaste Bride In chapter 6 divorce and remarriage are dealt with in a Biblical way and which should be being taught in a clear manner to our Church going youth A thorough understanding of the subject is not being taught to young Christians and much confusion about the subject reigns in the Church The final chapter discusses the politically protected entity of same sex marriage God s rejection of it His disdain for it and coming judgment as a result of it Some of its consequences are detailed and what s next is predicted by Scripture

**Jesus' Doctrine of Marriage Divorce Remarriage** John D. Keller,2014-07-07     Marriage, Divorce and Remarriage Richard Aegerter,     **Marriage, Divorce, Remarriage** Timothy J. Copper,2007-02     **Marriage, Divorce, Remarriage, Woman & the Bible** Arthur Frederick Ide,1995     **The Bible on Divorce and Remarriage** Timothy Klaver,2019-11-13 Does Scripture sanction the grounds for righteous divorce and remarriage The entire subject of divorce and re marriage is a complex and emotionally charged issue It is one of the most vexing problems the church faces in these modern days Throughout church history Christians have been divided on the issue of divorce and re marriage On the one side of the argument it has been believed that Jesus declared it not a sin to remarry in the case of marital infidelity and the Apostle Paul declared it not a sin to remarry in the case of abandonment On the other side of the argument it has been believed that it is

adultery to remarry while one's former spouse is still living Why are there two different interpretations of the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a      **What the Bible Says about Marriage, Divorce and Remarriage** John Coblentz, 1992-01-01
