## **Marriage Of Meggotta:**

**The Marriage of Meggotta** Edith Pargeter, 1979 Originally published in 1979 this is the last novel Edith Pargeter wrote under her own name Set in England in the 13th century among the nobles and aristocrats surrounding King Henry III it tells the true story of the secret marriage of the Earl of Kent's ten year old daughter and the tragic consequences that follow in its wake The Marriage of Meggotta Ellis Peters, 1979 **A Baronial Family in Medieval England** Michael

Altschul, 2019-12-01 Originally published in 1965 In *A Baronial Family in Medieval England* The Clares 1217-1314 Michael Altschul studies the Clare family during the thirteenth century The Clares spearheaded the struggle to enforce Magna Carta in the Barons War Historians prior to Altschul tended to neglect the Clares history given the scattered nature of the archives documenting their time as a politically influential and powerful family This book unfolds chronologically outlining the Clares rise to preeminence and describing how they administered their estates and income *The Pageant of England (Complete Plantagenets Series)* Thomas B. Costain, 2023-11-26 In Thomas B Costain's monumental work *The Pageant of England*

readers are taken on a sweeping journey through the history of England during the Plantagenet era Costain's vivid and detailed narrative brings to life the major events rulers and societal changes that shaped England during this turbulent period His engaging storytelling style combined with meticulous research and attention to historical accuracy makes this book a captivating read for history enthusiasts and scholars alike The literary context of the book reflects Costain's expertise in historical fiction as he seamlessly weaves together facts and imagination to create a rich tapestry of the past Thomas B Costain a renowned Canadian author and historian drew from his deep passion for English history and his extensive research to produce *The Pageant of England* His lifelong dedication to studying the past and his knack for storytelling shine through in this comprehensive exploration of the Plantagenet dynasty Costain's impeccable reputation as a historical fiction writer adds credibility to his portrayal of England's history making this book a valuable resource for anyone interested in the medieval period I highly recommend *The Pageant of England* to readers seeking an immersive and insightful journey through the Plantagenet era Costain's masterful storytelling and in depth historical knowledge make this book an essential addition to any history buff's library

**The Magnificent Century** Thomas Bertram Costain, 2023-12-26 In *The Magnificent Century* Thomas Bertram Costain presents a sweeping historical narrative that delves into the opulence and turbulence of the 16th century particularly focusing on the reign of Suleiman the Magnificent in the Ottoman Empire Costain's prose is richly detailed and evocative capturing the intricacies of court life the complexity of political intrigue and the vibrant cultural tapestry that defined an era of significant transformation He skillfully blends meticulous research with a storyteller's flair allowing readers to immerse themselves in a world where ambition power and artistry converge creating a compelling portrait of a pivotal moment in history Costain a Canadian author with a profound appreciation for history drew inspiration from his own background as a journalist and novelist which honed his ability to uncover and narrate the layers of human

experience His extensive travels and studies of historical events fueled his passion for storytelling making him an ideal chronicler of this fascinating epoch His fascination with great rulers and their courts is evident as he strives to engage readers with both authenticity and imagination I enthusiastically recommend The Magnificent Century to readers who appreciate historical fiction interwoven with rich character portrayals and vibrant settings Costain's masterful storytelling not only provides entertainment but also offers insightful commentary on the nature of power and its implications on culture and society This book is a must read for anyone intrigued by the complexities of history and the interplay of human ambition
