Marriage And Family Sg:

Marriage Dissolution in Singapore Paulin Straughan, 2009-01-31 The meanings of marriage and divorce have shifted significantly in the past few decades particularly in economies in Asia where rapid economic growth has transformed the social fabric This book arises from possibly the most comprehensive study of divorce done in Singapore The study highlights the root causes of divorce and focuses on the impact of changing ideologies on marital stability Themes that surfaced in the appreciation of why some marriages fail include women s changing expectations and their roles in the family courtship expectations and the role of romantic love parenthood demands and work stressors The discussions are drawn from data collected from a large scale representative survey of a study group comprising dissolved marriages as well as a control group of intact marriages Scholars investigating marriage and family in Asia will find the rich data content useful The sociological insight makes the book a relevant read for all interested in family dynamics

The Contemporary Family in Singapore Eddie C. Y. Kuo, Aline K. Wong, 1979 Twelve essays on the sociology of the family in Singapore in the modern period

Marriage and Family Ollie Pocs, 1987 **Interethnic Marriage in Singapore** Riaz Hassan, Examines an important aspect of inter ethnic relations namely inter ethnic marriage in Singapore one of Southeast Asia s most ethnically heterogeneous societies With chapters on the sociological significance sociological factors and types of such marriage traditional sociocultural organization and ethnic marrying out rates and an assessment of findings and research possibilities

Southeast Asian Kinship, Marriage, and Family Systems Anthony R. Walker, 1991 **Family History of Col. John Sawyers and Simon Harris, and Their Descendants**, 1913 State and Family in Singapore Janet W. Salaff, 1988

The Rabouin Family, a Genealogical Study Natalie Roberts Friend, 1992 The Rabouin Raboin family of Canada and the United States The earliest known ancestor was Michel Rabouin b 1702 He married Genevi ve Banhiac LaMontagne in 1736 Michel owned land bordering the Maskinong River in Maskinong by 1736 Family members migrated from St Guillaume and other areas of Quebec Canada to New York Massachusetts Rhode Island Connecticut Michigan Minnesota Montana North Dakota Wisconsin and California Some families have changed Rabouin name into Robbins and Roberts

Marriage and Family Living, 1952 *Family in Singapore* Stella R. Quah, 1998 This book is written for policy makers social scientists sociology students and educated readers interested in the situation of the family in modern societies and the role of the state in social policy Catalogue Florida State College for Women, 1954 **Understanding Marriage, Family, and Intimate Relationships** Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and

establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one s life It was written so that each chapter has information that readers will find

helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting www.understandingrelationships.net **Chinese Marriage Patterns in Singapore** Hwa-Kuo Yeh,1980
