*Marriage in a Changing World* Gerald R. Leslie, Elizabeth McLaughlin Leslie, 1980-01      **Marriage and the Changing World** Nombeko Matambeka, 2023      Islamic Family Law in a Changing World 'Abd Allāh Aḥmad Na'im, 2002-08 In Islamic Family Law in a Changing World Abdullahi A An Na im explores the practice of the Shari a commonly known as Islamic Family Law An Na im shows that the practical application of Shari a principles is often modified by theological differences of interpretation a country s particular customary practices and state policy and law      Marriage Curt Hamner, John Trent, Rebekah J. Byrd, 2018 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more hostile to biblical beliefs about marriage And this is a topic worth getting right Marriage is the divine self portrait of the triune God in relationship which means what we believe about marriage is indissolubly tied to what we believe about God Marriage Its Foundation Theology and Mission in a Changing World is the much needed and definitive work on marriage for this generation Rooted in a scriptural understanding of marriage it speaks comprehensively to the issues surrounding marriage being debated today Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God s design for marriage and be strengthened to stand firm no matter what controversy is next      **The Changing Transitions to Adulthood in Developing Countries** National Research Council, Division of Behavioral and Social Sciences and Education, Committee on Population, Panel on Transitions to Adulthood in Developing Countries, 2005-12-08 Serving as a companion to Growing Up Global this book from the National Research Council explores how the transition to adulthood is changing in developing countries in light of globalization and what the implications of these changes might be for those responsible for designing youth policies and programs Presenting a detailed series of studies this volume both complements its precursor and makes for a useful contribution in its own right It should be of significant interest to scholars leaders of civil society and those charged with designing youth policies and programs      Gender Inequality in Our Changing World Lori Kenschaft, Roger Clark, Desiree Ciambone, 2015-07-24 Gender Inequality in Our Changing World A Comparative Approach focuses on the contemporary United States but places it in historical and global context Written for sociology of gender courses this textbook identifies conditions that encourage greater or lesser gender inequality explains how gender and gender inequality change over time and explores how gender intersects with other hierarchies especially those related to race social class and sexual identity The authors integrate historical and international materials as they help students think both theoretically and empirically about the causes and consequences of gender inequality both in their own lives and in the lives of others worldwide      Adolescents in a changing world World Health Organization, 2024-05-28 This is the full global report to undergo WHO editing and be submitted for clearance      **Children in Changing Worlds** Ross D. *Teachers Manual Marriage in a Changing World* Leslie, 1977-01-01      **The Reasonability of Marriage in a Changing World** Anderson Ruffin, 2019-11-12 Society once based its actions on Christian absolute values built on biblical principles Christian absolutes are those truths and standards of Scriptures which cannot change They are becoming less affirmative and less practical in the world today We have marginalized if not outlawed Christianity in public places Society now bases its beliefs on relative moralities that are designed to alter some values and have decided to accept that a person can do what he or she likes and is answerable to only themselves Most people knew what was right and wrong Some behaviors were sinful In recent years more and more people are rejecting God and have come to the recognition of barring Him from society Not only have some people attempted to get rid of God but they have also eliminated God from their consciences by changing Christian absolutes Covenant marriage has been the central figure in the existence of humanity The creation of the institution of marriage is from God Any humanistic attempts to destroy marriage will immediately fail in any effort to depart from the original plan of God      *Children and Their Parents in a Changing World* Elwyn James Anthony, Cyrille
