**Married Love: Love in Marriage** Marie Charlotte Carmichael Stopes,2020-09-28 EVERY heart desires a mate For some reason beyond our comprehension nature has so created us that we are incomplete in ourselves neither man nor woman singly can know the joy in the performance of all the human functions neither man nor woman singly can create another human being This fact which is expressed in our outward divergences of form influences and colors the whole of our lives and there is nothing for which the innermost spirit of one and all so yearns as for a sense of union with another soul and the perfecting of oneself which such union brings In all young people unless they have inherited depraved or diseased tendencies the old desire of our race springs up afresh in its pristine beauty With the dreams and bodily changes of adolescence come to the youth and maiden the strange and powerful impulses of sex The bodily differences of the two now accentuated become mystical alluring enchanting in their promise Their differences unite and hold together the man and the woman so that their bodily union is the solid nucleus of an immense fabric of interwoven strands reaching to the uttermost ends of the earth some lighter than the filmiest cobweb or than the softest wave of music iridescent with the colors not only of the visible rainbow but of all the invisible glories of the wave lengths of the soul However much he may conceal it under assumed cynicism worldliness or self seeking the heart of every young man yearns with a great longing for the fulfilment of the beautiful dream of a life long union with a mate Each heart knows instinctively that it is only one's mate who can give full comprehension of all the potential greatness in one's soul and have tender laughter for all the child like wonder that lingers so enchantingly even in the white haired

**Married Love, Or, Love in Marriage** Marie Carmichael Stopes,1918 A sensational book when first published in 1918 Married Love was the first book to offer a frank discussion about sex and to acknowledge that it could be a pleasant experience for both men and

women *Married Love* Marie Carmichael Stopes,1919 *Married Love Or Love in Marriage* Marie Stopes,2022-02-15  
Married Love or Love in Marriage 1918 is a book on reproductive health by Marie Stopes Banned in the US and scorned by the British establishment Married Love or Love in Marriage was controversial for its openness regarding sex and the use of contraceptives between husbands and wives While relatively conservative by today s standards the pioneering work was an essential bestselling book that guided generations of men and woman on how to nurture happy healthy sexual relationships without increasing the stresses of motherhood and everyday life More than ever to day are happy homes needed It is my hope that this book may serve the State by adding to their number Its object is to increase the joys of marriage and to show how much sorrow may be avoided Working with this goal in mind Marie Stopes set out to rewrite the rulebook on sexual relationships between married men and women Published the same year that she opened the first birth control clinic in the United Kingdom Married Love or Love in Marriage pursued the thesis that desire and happiness could be nurtured within the home between a husband and wife by educating men and women on the use of contraceptives An immediate bestseller Stopes work marked a seismic shift in discourse on women s reproductive health paving the way for many of the reforms and attitudes some take for granted today Risking her reputation and leaving behind a successful career in paleobotany Stopes dedicated herself to the rights of women in England and around the world for whom the burden of motherhood often proved not only limiting but detrimental to their physical and mental health With a beautifully designed cover and professionally typeset manuscript this edition of Marie Stopes *Married Love or Love in Marriage* is a classic of British scientific literature reimagined for modern readers **Plotto** William Cook,2011-12-13 Offers hundreds of character and conflict profiles and an overview of the author s detailed plot building method in order to help build original stories *Love Life for Every Married Couple* Ed Wheat,Gloria Okes Perkins,1996-12-24 Physician Ed Wheat has helped thousands of couples improve their love lives and build happier marriages In *Love Life for Every Married Couple* he ll help you improve your marriage through sharing touching appreciating and focusing healing attention on your mate Answering physical psychological and stress related questions in a Christian context Dr Wheat demonstrates how to bring your feelings of love back to life *Married Love* Maris Stopes,2017-07-10 In this little book Dr Marie Stopes deals with subjects which are generally regarded as too sacred for an entirely frank treatment Some earnest and delicate minds may feel apprehensive that such frankness in details is dangerous because the effect on prurient minds might be to give them food for their morbid fancies It is just such a fear which has been largely responsible for the silence and mystery which have for so long been wrapped round the sacred rites of mating The question now is Has this reticence been carried too far Has it been carried so far that it now tends to defeat its purpose of safeguarding public morals There are many who unhesitatingly answer such questions in the affirmative Their intimate knowledge of human lives compels them to recognise that at least as much harm is done by silence as by speaking out Everything depends on how the matter is presented Those who are shocked at the publication of such a book as this on

the ground that it gives material for impure minds to sport with need only reflect that such material is already amply provided in certain comic papers in hosts of inferior novels too often on the stage and film and presented thus in coarse and demoralising guise It can do nothing but good to such minds to meet the facts they are already so familiar with in a totally new light On the other hand there are all the earnest and noble young minds who seek to know what responsibilities they are taking on themselves when they marry and how they may best meet these responsibilities How few of them have more than the vaguest ideas on the subject How few of them know how or where to obtain the help they desire They recoil from the coarse and impure sources of information which are so accessible and they hesitate to approach those they have learned to regard as virtuous and modest realising that from such they will receive so little actual information and that so veiled as to be almost useless     *Contraception* John T. Noonan, Jr., John Thomas Noonan, 2012-06-18 Originally published in 1965

Contraception received unanimous acclaim from all quarters as the first thorough scholarly objective analysis of Catholic doctrine on birth control More than ever this subject is of acute concern to a world facing serious population problems and the author has written an important new appendix examining the development of and debates over the doctrine in the past twenty years     The Works of Henry Fielding, Complete in One Volume Henry Fielding, Thomas Roscoe, 1853     **Birth Control News** , 1929

**Sciences of Modernism** Paul Peppis, 2014-02-28 Sciences of Modernism charts the numerous collaborations and competitions occurring between early modernist literature and early twentieth century science     **Love's Martyr** Laurence Alma-Tadema, 1886     **The World To-day** , 1912     **Tyler's Quarterly Historical and Genealogical Magazine** , 1927     **The Ladies' Repository** , 1871     *Tinsley's Magazine* , 1878     *The Girl of the period miscellany* , Harper's Monthly Magazine , 1902     **American Biography** , 1930
