Married To The Man:

The Essential Guide for the Married Man E Paul Allerton,2020-12-02 Marriage and becoming a father are two of the most important Rites of Passage in a man s life Unfortunately our society no longer recognizes them as such nor do the elder men prepare counsel and train the younger men to succeed in these endeavors As a result good men and women enter marriage with false expectations and misconceptions about how to create a successful marriage and a meaningful life There is hope If you are struggling losing faith in your marriage don t quit You can learn and master the principles to be successful end the conflict save your marriage and restore your family If you are not married you can prepare yourself to enjoy the best that a lifelong marriage can bring You can lead your family to thrive providing your children a secure and loving home At the end of the day it all comes down to your ability to lead yourself and then your ability to lead your family based on your actions The direction of your leadership comes from the foundation of your life your purpose Your purpose will determine the qualities of character that you must develop You must consciously choose and master the attitude necessary to sustain the self discipline to navigate the storms of life so that you can serve your purpose If you remain focused on these four attributes of your life and firmly rooted in your values you will create an amazing legacy for yourself your wife your children and your community Truly practical guidance for real success

The Married Man's Mentor Lucas Lovibond,2007-04 Originally written in 1899 and published by Thomas Burleigh in London a rare edition of the 107 year old work was procured by literary historian and author Michelle Lovric This tome has been reproduced with attention to the finer details of its epoch As Lovric explains What appealed to me most was the way in which the book dealt sensitively and directly with areas that are often blind spots for husbands issues that seem small but which can in fact constitute huge betrayal in the hearts and minds of their wives Lovibond writes on topics ranging from *The Honeymoon* and *The Wife s Purse* to *The First Baby* and *Second Marriages* On *The Choice of a Wife* It is a fatal thing to form an impression at first sight whether favourable or reverse and let it run away with you The Single Woman-Married Man Syndrome Richard Tuch,2002-09-01 Many single woman married man relationships are
