Married By Arrangement Presents:

A Marriage Covenant: Not For Women Only Linda Anderson,2017-07-05 Have you ever wondered why the Bible contains certain specific elements such as the proliferation of the numbers seven or ten Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat I wondered That curiosity led me to a bigger change in my understanding of scripture than I could have imagined It literally revolutionized my bible study practice I am going to let you in on the secret It is learning to see Scripture through more of a Jewish mindset Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible That culture is far different from ours Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words As a serious student of the word I have spent over twenty years examining and teaching on God s marriage covenant from that perspective Many of the theories we have been taught about prophecy the rapture or lack thereof are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew *Ethnographic Practice in the Present* Marit Melhuus,Jon P.
