**Just Give Me Your Last Name** Temi Olaniyan, 2019-06-10 Just Give Me Your Last Name is a book that was born out of the life of a frustrated single waiting endlessly for love This book takes you through my journey of finding true love in singleness and becoming whole in that process The aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey The book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world My hope is that as you read this book you will prioritize finding and giving love as a single person instead of waiting for love to find you This book will move you to the front seat of your single life have you switch to cruise mode and soar the length and breadth of singleness in confidence This book will make you laugh get you thinking and ultimately move you to action that will birth the change you always hoped for
