Marshal Ferdinand Foch:

Marshal Ferdinand Foch, His Life and His Theory of Modern War Andrew Hilliard Atteridge,1919 **Marshal Ferdinand Foch, His Life and His Theory of Modern War** Andrew Hilliard Atteridge,2013-03-02 A H Atteridge penned many books on the subject of warfare concentrating mainly on the Napoleonic period and the German army in the run up to the First World War War Correspondent of the Daily Chronicle in the Sudan campaign of 1896 he was also special correspondent at manoeuvres of various foreign armies and was an officer in the London Irish Rifles from 1893 to 1905 Some of the important military works written by him included Towards Khartoum Wars of the Nineties Napoleon s Brothers Joachim Murat and Marshal Foch An acknowledged expert his writing style is fluid and pacy without losing any of his authoritative knowledge In this volume the author focusses on the celebrated Marshal Ferdinand Foch Atteridge documents Foch s rise from military theorist of high repute before the First World War to the pinnacle of command as the general in chief of the entire war effort Not a dry analysis of dates and figures the entire methodology of Foch s theory of warfare is discussed from the foundations from Foch s time at the Ecole de Guerre to the application of them against the invading forces of Germany Still an excellent biography of the leader of the Allied Generallissimo Author Andrew Hilliard Atteridge 1844 1941 Text taken whole and complete from the edition published in New York Dodd Mead and company 1919

Illustrations 8 maps Original Page Count 286 pages *The Memoirs of Marshal Foch* Marshal Ferdinand Foch,2017-06-28 The Commander in Chief of the Allied armies the great strategist who directed the final victory declined to publish his memoirs during his lifetime Upon his death his family at first intended to withhold his manuscript for ten or fifteen years but the advice of the Marshal s friends prevailed So this the final word on the winning of the great war was released in 1931 just two years after Marshal Foch s death At first the Marshal planned to write a complete history but he had neither the time nor the strength to complete so large a work And it is fortunate for posterity that he did not Others can collect and collate official documents We have here what Foch alone could have written his personal story of the war based solely upon his own experience And it becomes apparent that Foch was not only the great commander and the leading strategist of his time but a writer with a sense of style and a graphic use of words that make his record one of the most moving and dramatic accounts of the great war On certain details Foch s views may be questioned but his story of the victory may well be called the final word Only the leader of ten million men can speak from the vantage of supreme command Special maps prepared by the French War Office unpublished photographs and facsimiles of the Armistice are included *Marshal Ferdinand Foch* A. Hilliard Atteridge,2015-06-26 Excerpt from Marshal Ferdinand Foch His Life and His Theory of Modern War Ferdinand Foch Marshal of France and Commander in Chief of the Allied Armies is one of the soldiers who have won a lasting place in the annals of war in the world wide conflict of our time Few among the war leaders have achieved such eminent distinction In this clash of armed nations with armies of millions in the field it has been exceptionally difficult for any man to win for himself world wide

recognition as a master of war a recognition accepted not only by his own people but by their Allies not only by those he has led to victory but by those against whom he fought During the long war hundreds of good soldiers have found themselves in high command as leaders of army groups armies and army corps in the various theatres of war In the stern test of war under new and peculiarly exacting conditions some have lost the reputation acquired in earlier days A large number of generals on both sides have shown themselves thoroughly competent and resourceful leaders of men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Laughlin,2022-09-04 Clara E Laughlin s Foch the Man A Life of the Supreme Commander of the Allied Armies presents a meticulous portrait of Marechal Ferdinand Foch a pivotal figure in World War I Laughlin s narrative not only delves into Foch s significant military career but also affords the reader insight into his philosophical and strategic beliefs which influenced the course of the war The book weaves Foch s personal correspondence and decisions into the broader fabric of the war s history capturing the complexity of his character and the times he helped to shape It is marked by its narrative fluency and its capacity to make the strategic complexities of war accessible to a wide audience situating itself as a significant contribution to the historical analyses of the Great War and its leaders Laughlin a prolific author and journalist with a keen interest in European history brings a distinctively humanizing touch to the depiction of Foch Her background in storytelling lends a richness to the retelling of Foch s life transcending conventional biographical accounts She probes the essence of leadership and the exigencies of command under the extreme pressures of the war with a clear understanding that the personal tribulations and philosophies of such figures invariably shape the course of history Her expertise and considerable research not only illuminate Foch s contribution to the war effort but also offer fascinating cultural context to the era he dominated For those fascinated by military history and leadership Foch the Man offers deeply researched insight into one of World War I s most influential figures This carefully reproduced edition by DigiCat Publishing invites modern readers to engage with a work that has been recognized as an exemplary piece of historical literature It is a book that amiably serves both as a scholarly resource and as an engaging narrative for readers seeking to comprehend the complex interplay between the person and their epoch

Foch Michael S. Neiberg,2003 Ferdinand Foch is the prototype of the twentieth century general Better than any other general of the First World War Foch came to understand how technology and modern alliance systems had changed the nature of warfare He is most famous for his role as Allied commander in chief in 1918 In this position unparalleled in the history of warfare Foch welded together the disparate war efforts of France Great Britain the United States Italy and Belgium Now fighting as a more coherent whole the Allies repulsed the German spring offensives of 1918 and returned to the attack themselves in the summer In this role Foch foreshadowed the similar roles played by other commanders of large coalitions such as Dwight Eisenhower in World War II and Norman Schwarzkopf in Desert Storm Foch s other important legacy is his public dispute with French prime minister Georges Clemenceau during the armistice and peace negotiations Foch argued strongly for the creation of Allied bridgeheads across the Rhine River to ensure that a less populous and less industrialized France could defeat a vengeful Germany in the future if necessary His public quarrels with Clemenceau who did not share Foch s opinion and did not care for his interference left the French Third Republic with a civil military crisis as

menacing as the one with which it began World War I Foch's legacies are both positive and negative but he left a profound impact on the twentieth century Michael S Neiburg masterfully analyzes this complex man and provides a solid overview of French political history against the fabric of the twentieth century's first industrialized war **Foch in Command** Elizabeth Greenhalgh, 2011-08-04 Ferdinand Foch ended the First World War as Marshal of France and supreme commander of the Allied armies on the Western Front Foch in Command is a pioneering study of his contribution to the Allied victory Elizabeth Greenhalgh uses contemporary notebooks letters and documents from previously under studied archives to chart how the artillery officer who had never commanded troops in battle when the war began learned to fight the enemy to cope with difficult colleagues and allies and to manoeuvre through the political minefield of civil military relations She offers valuable insights into neglected questions the contribution of unified command to the Allied victory the role of a commander's general staff and the mechanisms of command at corps and army level She demonstrates how an energetic Foch developed war winning strategies for a modern industrial war and how political realities contributed to his losing the peace *FOCH THE MAN* CLARA E. LAUGHLIN, Foch Raymond Recouly, 1929 General Foch Robert Matteson Johnston, 1918 Marshal Foch Day ... Official record of the celebration given in honor of Marshal Ferdinand L. Marshal Ferdinand Foch Introduction

In today's digital age, the availability of Marshal Ferdinand Foch books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Marshal Ferdinand Foch books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Marshal Ferdinand Foch books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Marshal Ferdinand Foch versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Marshal Ferdinand Foch books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Marshal Ferdinand Foch books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Marshal Ferdinand Foch books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Marshal Ferdinand Foch books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Marshal Ferdinand Foch books and manuals for download and embark on your journey of knowledge?
