

Marston Moor

Stephen Pickstock

Marston Moor:

Marston Moor, 1644 Peter Young,1970 The battle of Marston Moor proved to be a turning point in the Civil War and perhaps the biggest ever fought on English soil The Royalist cause was dealt a mortal blow and although the conflict continued for another year or more Royalist fortunes never really recovered As Margaret Toynbee asserts in her introduction the chief responsibility for the disaster rests with Prince Rupert who failed to liaise with his fellow general the Marquess of Newcastle Equally Oliver Cromwell should receive much of the credit for Parliament s victory This book describes the campaign and the battle Marston Moor, 1644 John Tincey,2005 The entry of the Scots into the English Civil War on 19 January 1644 on the side of Parliament radically changed the balance of power in the North of England The Royalists in the North were forced onto the defensive and besieged in York In a bold march Prince Rupert outmanoeuvred his enemies and relieved York without a shot being fired However when Rupert met the allied army in battle on Marston Moor on 2 July his cavalry was defeated by Cromwell s Ironsides who then turned on the Royalist infantry The result was a hard fought but catastrophic defeat the Royalist army was crushed and their forces driven from the north of England *BATTLE OF MARSTON MOOR* Robert Lawley,2016-09-02 A succinct account of the battle of Marston Moor arguably the decisive engagement of the English Civil War The Road to Marston Moor David Cooke,2008-07-15 The Battle of Marston Moor was key in English history It was the largest battle of the Civil Wars and was decisive This fresh study reconstructs the battle in graphic detail and tells the story using the words of those who took part **The Battle of Marston-Moor: a Lecture Delivered in the School-Room at Marston** Robert Neville LAWLEY (Hon.),1865 **The Battle of Marston Moor 1644** John Barratt,2008-07-14 On 2 July 1644 six miles from York 18 000 Royalists led by Prince Rupert the nephew of King Charles I fought 27 000 Parliamentarians in an attempt to relieve the Royalist force besieged at York He failed The defeat was catastrophic and the North was lost to Parliamentary troops John Barratt looks afresh at the battle and explores the disagreements among the Royalist leaders that had a devastating effect on the outcome of the battle **Marston Moor** David Clark,2004-03-19 Following on from the success of the first book in this series on the English Civil war Naseby here is the story of Marston Moor arguably the most famous battle in the four year conflict In this exciting analysis of the battle the Author has captured the atmosphere and made it possible to get the most out of the experience Marston Moor was an extremely bitter and costly battle and a defeat for the Royalist cause that had major implications for King Charles I One result was that the key city of York was lost thereby seriously weakening the King s grip on the North Marston Moor David Clark,2004 **Marston Moor** Michael Arnold,2015 2 July 1644 Five armies converge outside York It will be a battle for honour glory and the fate of three kingdoms And it will pit two great leaders Oliver Cromwell and Prince Rupert directly against one another for the first time It is a day that will change the course of history Into the cannon fire and musket smoke marches Major Innocent Stryker battle scarred hero of the Royalist cause He must not only lead his men through the bloody

horror and outwit his Parliamentary enemies but uncover foul treachery on his own side He will need every shred of experience and determination to survive Marston Moor will be the decisive turning point in the British Civil Wars This is the thrilling and shocking story of that battle *Marston Moor 1644* P.
