Martin Van Buren And The American Political System

Richard J. Ellis

Martin Van Buren And The American Political System:

Martin Van Buren and the American Political System Donald B. Cole, 1997 Donald B. Cole's objective study shows how Martin Van Buren may have aroused mistrust but was hard to dislike. Consumed by politics, he fought to win but was wise enough to appreciate that victory could never be total. Whether the little Magician or the sly fox, offers a better description of Martin Van Buren remains a matter of opinion. Certainly his shortcomings as President pointed the way to the Civil War. The political system he had done so much to develop proved unequal to the task of national unity. Professor Cole's account adds to an understanding of the origins and failing of national politics in the United States. Excerpt from Collector's Notes *Encyclopedia of U.S. Political History* Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieooui

Unparalleled coverage of U.S. political development through a unique chronological framework. *Encyclopedia of U.S. Political History* explores the events, policies, activities, institutions, groups, people, and movements that have created and shaped political life in the United States. With contributions from scholars in the fields of history and political science, this seven-volume set provides students, researchers, and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day. With greater coverage than any other resource, the *Encyclopedia of U.S. Political History* identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions, culture, behavior, and change. Focusing on both government and history, the *Encyclopedia* brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered. With each volume covering one of seven time periods that correspond to key eras in American history, the essays and articles in this authoritative encyclopedia focus on the following themes of political history: The three branches of government, Elections and political parties, Legal and constitutional histories, Political movements and philosophies, and key political figures, Economics, Military politics, International relations, treaties and alliances, Regional histories. Key Features: Organized chronologically by political eras, Reader's guide for easy topic searching across volumes, Maps, photographs, and tables enhance the text, Signed entries by a stellar group of contributors. VOLUME 1: Colonial Beginnings through Revolution, 1500-1783. Volume Editor: Andrew Robertson. Herbert H. Lehman College. The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic. This volume discusses the diversity of the colonial political experience, a diversity that modern scholars have found defies easy synthesis, as well as the long-term conflicts, policies, and events that led to revolution and the ideas underlying independence. VOLUME 2: The Early Republic, 1784-1840. Volume Editor: Michael A. Morrison. Purdue University. No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic. This volume discusses the era of Confederation, the shaping of the U.S. Constitution, and the development of the party system. *Old Tip vs. the Sly Fox* Richard J. Ellis, 2025-08-19 Usually remembered for its slogan, Tippecanoe and Tyler too, the election of 1840 is also the first presidential election of which it

might be truly said It s the economy stupid Tackling a contest best known for log cabins cider barrels and catchy songs this timely volume reveals that the election of 1840 might be better understood as a case study of how profoundly the economy shapes the presidential vote Richard J Ellis a veteran scholar of presidential politics suggests that the election pitting the Democratic incumbent Martin Van Buren against Whig William Henry Harrison should also be remembered as the first presidential election in which a major political party selected rather than merely anointed its nominee at a national nominating convention In this analysis the convention s selection as well as Henry Clay s post convention words and deeds emerge as crucial factors in the shaping of the nineteenth century partisan nation Exploring the puzzle of why the Whig Party s political titan Henry Clay lost out to a relative political also ran Ellis teases out the role the fluctuating economy and growing antislavery sentiment played in the party s fateful decision to nominate the Harrison Tyler ticket His work dismantles the caricature of the 1840 campaign a k a the carnival campaign as all froth and no substance instead giving due seriousness to the deeply held moral commitments as well as anxieties about the political system that informed the campaign In Old Tip vs the Sly Fox the campaign of 1840 can finally be seen clearly for what it was a contest of two profoundly different visions of policy and governance including fundamental still pressing questions about the place of the presidency and Congress in the US political system

Encyclopedia of U.S. Political History Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an

independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877 VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized

by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered *Martin Van Buren and the Emergence of American Popular Politics* Joel H. Silbey, 2002-07-16 Chronicles the life of Martin Van Buren focusing on his role in the development and transformation of American politics in the early part of the nineteenth century *What It Took to Win* Michael Kazin, 2022-03-01 A New York Times Book Review Editors Choice One of Kirkus Reviews ten best US history books of 2022 A leading historian tells the story of the United States most enduring political party and its long imperfect and newly invigorated quest for moral capitalism from Andrew Jackson to Joseph Biden One of Kirkus Reviews 40 most anticipated books of 2022 One of Vulture s 49 books we can t wait to read in 2022 The Democratic Party is the world s oldest mass political organization Since its inception in the early nineteenth century it has played a central role in defining American society whether it was exercising power or contesting it But what has the party stood for through the centuries and how has it managed to succeed in elections and govern In *What It Took to Win* the eminent historian Michael Kazin identifies and assesses the party s long running commitment to creating moral capitalism a system that mixed entrepreneurial freedom with the welfare of workers and consumers And yet the same party that championed the rights of the white working man also vigorously protected or advanced the causes of slavery segregation and Indian removal As the party evolved towards a more inclusive egalitarian vision it won durable victories for Americans of all backgrounds But it also struggled to hold together a majority coalition and advance a persuasive agenda for the use of government Kazin traces the party s fortunes through vivid character sketches of its key thinkers and doers from Martin Van Buren and William Jennings Bryan to the financier August Belmont and reformers such as Eleanor Roosevelt Sidney Hillman and Jesse Jackson He also explores the records of presidents from Andrew Jackson and Woodrow Wilson to Bill Clinton and Barack Obama Throughout Kazin reveals the rich interplay of personality belief strategy and policy that define the life of the party and outlines the core components of a political endeavor that may allow President Biden and his co partisans to renew the American experiment **Columbia Rising** John L. Brooke, 2010 The story of Martin Van Buren kingpin of New York s Jacksonian Regency president of the United States and first theoretician of American party politics threads the narrative since his views profoundly influenced American understandings of consent and civil society and led to the birth of the American party system **The Presidency of James K. Polk** Paul H. Bergeron, 1987 James K Polk was one of the strongest and most active presidents ever to occupy the office In the nineteenth century only Jefferson Jackson and Lincoln matched his overall leadership and domination of national government Bergeron s crisp insightful narrative shows how and why Polk achieved such stature and yet failed to attract the kind of popular support or retrospective recognition granted other presidential luminaries A native of North Carolina Polk prepared for the presidency by honing his leadership skills as a seven term congressman speaker of the house and governor of Tennessee Bergeron s summary and analysis of those years shed light on the foundations of the presidency

that followed He provides fresh new perspectives on Polk's relationship with his cabinet his skirmishes with Congress over domestic economic legislation and the curse of presidential patronage But perhaps the most fascinating portions of this study are devoted to Polk's role as the western expansionist By the end of his term the United States had acquired enormous territories in the Southwest and far West Bergeron demonstrates that Polk adroitly used both war and diplomacy to acquire and protect these lands When the annexation of Texas led to the outbreak of war with Mexico Polk was forced to become commander in chief of the American forces In contrast the potentially explosive dispute with Great Britain over Oregon's borders was settled through purely diplomatic means Norman A Graebner in *America's Top Ten Presidents* declares Polk's achievements in diplomacy were among the most remarkable in American history Drawing upon a careful review of the extensive literature on our eleventh president as well as Polk's personal diary Bergeron has written a significant and balanced reassessment of the Polk presidency In the process he has also created a revealing portrait of a complex man who led the nation with imperial determination tempered with compassion generosity and even humor

American Statesmen: Martin Van Buren John Torrey Morse, 1899 **The Presidency of Andrew Jackson** Donald B. Cole, 1993 In 1829 Andrew Jackson arrived in Washington in a carriage Eight years and two turbulent presidential terms later he left on a train Those years among the most prosperous in American history saw America transformed not only by growth in transportation but by the expansion of the market economy and the formation of the mass political party Jackson's ambivalence and that of his followers toward the new politics and the new economy is the story of this book Historians have often depicted the Old Hero or Old Hickory as bigger than life so prominent that his name was wed to an era Donald Cole presents a different Jackson one not always sure of himself and more controlled by than in control of the political and economic forces of his age He portrays Jackson as a leader who yearned for the agrarian past but was also entranced by the future of a growing market economy The dominant theme of Jackson's presidency Cole argues was his inconsistent and unsuccessful battle to resist market revolution Elected by a broad coalition of interest groups Jackson battled constantly not only his opponents but also his supporters He spent most of his first term rearranging his administration and contending with Congress His accomplishments were mostly negative relocating Indians vetoing road bills and the Bank bill and opposing nullification The greatest achievement of his administration the rise of the mass political party was more the work of advisers than of Jackson himself He did however make a lasting imprint Cole contends Through his strength passions and especially his anxiety Jackson symbolized the ambivalence of his fellow Americans at a decisive moment a time when the country was struggling with the conflict between the ideals of the Revolution and the realities of nineteenth century capitalism

Passions and Interests Gerald M. Pomper, 1992 Pomper examines both empirically and normatively models of party as bureaucratic organization governing caucus cause advocate ideological community social movement urban machine rational office seeking team and personal faction He evaluates the contributions of U S political parties to democratic values and presents a

program to strengthen the parties as institutions of American democracy *American Statesmen: Martin Van Buren* ,1899

Party Over Section Joel H. Silbey,2009 A leading political historian of antebellum America examines the hard fought three way presidential race of 1848 Reveals how Martin Van Buren and his Free Soil party challenged Whigs and Democrats by making slavery a key issue representing a harbinger of the change that was to come even though they only garnered 10 percent of the vote **American Statesmen: Martin VanBuren** ,1899 **Fourth State of the Union Address** Martin Van Buren,2020-12-08 In his Fourth State of the Union Address delivered in 1838 Martin Van Buren articulates the pivotal challenges facing the young American republic This address employs a formal yet accessible literary style characterized by clarity and persuasive rhetoric designed to engage both Congress and the American populace Van Buren adeptly navigates pressing issues such as economic stability territorial expansion and the critical moral implications of slavery projecting a vision for a unified nation that embraces democratic ideals while confronting the realities of a rapidly evolving society His insights reflect the political landscape of the time marked by tension between federal authority and states rights as well as the push for westward expansion fueled by Manifest Destiny Martin Van Buren the eighth President of the United States and a founding figure of the Democratic Party was deeply influenced by the political upheavals of his era including the War of 1812 and the emergence of a two party system His extensive political career serving as Secretary of State and Vice President prior to his presidency provided him with a profound understanding of governance and the importance of public discourse The intellectual environment of his time particularly the debates surrounding American identity and sectionalism undoubtedly shaped his perspectives articulated in this address This address offers readers a compelling glimpse into the mind of a leader grappling with the complexities of nationhood Van Buren s thoughtful examination of contemporary issues not only serves as a rich historical document but remains relevant to discussions about governance and social justice today Recommended for scholars political historians and general readers alike this address is a vital contribution to understanding the nuances of American political philosophy **Presidential Travel** Richard J. Ellis,2008 The first full length examination of presidential travel and its role in transforming the image and identity of the presidency from first citizen to political celebrity Colorful anecdotes and acute analysis combine to provide a fresh look at the importance of travel in shaping the imperial presidency **Martin Van Buren** Edward Morse Shepard,1888 *The Black Seminole Legacy and North American Politics, 1693-1845* Bruce Edward Twyman,1999 The Black Seminole Legacy introduces new insights into Native and African American relationships It will fascinate the general as well as the scholarly reader **BOOK JACKET** **Martin Van Buren** Edward Morse Shepard,1899 *The Presidency of Martin Van Buren* Major L. Wilson,1984 Martin Van Buren eighth president of the United States has been judged harshly by some historians as a politician by trade and a spoilsman without principles a little magician who was interested only in his own advancement This volume provides a thorough recounting of the events and decisions of Van Buren s White House years 1837 1841 and adds to the positive reappraisal of

Van Buren as an able statesman and effective chief executive Wilson stresses that Van Buren faced the major problems of his presidency with courage and consistency and that he brought repose to a nation wrenched both by sectional differences and by the violent fluctuations of economic expansion and contraction Wilson discusses Van Buren's close relationship with Andrew Jackson and substantially qualifies the persistent interpretation of the Van Buren presidency as the third term of Jackson Van Buren a pragmatic Jeffersonian with a statesmanlike concern for order reversed Jackson's priorities Wilson describes how Van Buren resolved the crisis with Mexico and succeeded in keeping peace with Britain at a time when incidents arising out of rebellion in Canada and the disputed Maine boundary might have precipitated war The most distinctive contribution of this volume is its in depth analysis of the economic and political aspects of Van Buren's domestic policy especially the Independent Treasury the issue that gave basic shape to his entire presidency Jackson had divorced the Treasury from the national bank Van Buren took one further step and rendered the operations of the Treasury independent of the state banks as well By the end of his term debate on the issues of currency and enterprise had brought the second party system in the U S to maturity In 1840 Van Buren's views in this area would cost him reelection This study sheds lights on a turbulent period in American history and contributes to our understanding of Martin Van Buren's achievements He kept the nation out of war reduced sectional tensions and established the basis for a fiscal policy which he believed would bring greater stability to economic development

Thank you extremely much for downloading **Martin Van Buren And The American Political System**. Maybe you have knowledge that, people have see numerous time for their favorite books like this Martin Van Buren And The American Political System, but end in the works in harmful downloads.

Rather than enjoying a fine PDF in imitation of a mug of coffee in the afternoon, then again they juggled similar to some harmful virus inside their computer. **Martin Van Buren And The American Political System** is affable in our digital library an online right of entry to it is set as public in view of that you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency period to download any of our books in the same way as this one. Merely said, the Martin Van Buren And The American Political System is universally compatible when any devices to read.

Martin Van Buren And The American Political System Introduction

In the digital age, access to information has become easier than ever before. The ability to download Martin Van Buren And The American Political System has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Martin Van Buren And The American Political System has opened up a world of possibilities. Downloading Martin Van Buren And The American Political System provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Martin Van Buren And The American Political System has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Martin Van Buren And The American Political System. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Martin Van Buren And The American Political System. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Martin Van Buren And The American Political System, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Martin Van Buren And The American Political System has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Martin Van Buren And The American Political System Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Martin Van Buren And The American Political System is one of the best book in our library for free trial. We provide copy of Martin Van Buren And The American Political System in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Martin Van Buren And The American Political System. Where to download Martin Van Buren And The American Political System online for free? Are you looking for Martin Van Buren And The American Political System PDF? This is definitely going to save you time and cash in something you should think about.
