Love on the Racks Michelle Nolan,2015-03-21 For the better part of three decades romance comics were an American institution Nearly 6000 titles were published between 1947 and 1977 and for a time one in five comics sold in the U S was a romance comic This first full length study examines the several types of romance comics their creators and publishing history The author explores significant periods in the development of the genre including the origins of Archie Comics and other teen publications the romance comic boom and bust of the 1950s and their sudden disappearance when fantasy and superhero

comics began to dominate in the late 1970s

Comics through Time M. Keith Booker,2014-10-28 Focusing especially on

American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students

and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers *Marvel* Les Daniels,1991 Here are five fabulous decades of the world s greatest comics Now in paperback 288 information packed pages and more than 700 illustrations of the original hardcover edition are sure to appeal to every comicbook fan Includes 17 profiles of the main Marvel super heroes and 40 pages of facsimile stories
