Marvin Gaye's I Want You Derrais Carter, 2022 Marvin Gaye sang like he lived in bed He could croon deliver a political commentary and sing to you like you were the only other soul on this earth And in 1976 he gave us a taste of his erotic imagination with I Want You An album made in honor of his ongoing love affair with Janis Jan Hunter Gaye delivered excess and restraint to sound his desire I Want You is an album that stands apart from Gaye's earlier collaborations with Diana Ross Tammi Terrell Mary Wells and Kim Weston Though not technically a duet Gaye forges another kind of collaboration with Jan the result of which is an album that provides an intimate portrait of an artist in love and lust Using interviews visual art poetry criticism and gossip this book explores ecstasy funk sensation and a host of other delicious and fleshy concerns that animate I Want You It does not attempt a strict historicization of the album as that would do it a disservice Instead this book seeks fidelity to the album by centering Gaye's fantasies his engagement with Ernie Barnes painting Sugar Shack and sonic expression of desire for Jan **Marvin Gaye** Sharon Davis, 2000 When Marvin Gaye was shot dead in 1984 by his own father the world lost one of its greatest singers Born into a Washington ghetto the son of a pentecostal minister Marvin Gaye rose to become one the most original musical talents of his generation This intensively researched biography charts his extraordinary life turbulent career and tragic death It details his beginnings as session drummer for Smokey Robinson and the Miracles his struggle for artistic independence and his stormy relationship with Tamla Motown Records and Berry Gordy its legendary head whose sister he married It also tells of the resounding success his records had and the lasting contribution he made to black music **Love Marvin** Marvin Gaye, **After the Dance** Jan Gaye, David Ritz, 2015-05-19 A riveting cautionary tale about the ecstasy and dangers of loving Marvin Gaye a performer passionately pursued by all and a searing memoir of drugs sex and old school R&B the next she was accompanying Marvin to parties navigating the intriguing world of 1970s 80s celebrity hanging with Don Cornelius on the set of Soul Train and helping to discover new talent like Frankie Beverly But the burdens of fame the chaos of dysfunctional families and the irresistible temptations of drugs complicated their love Primarily silent since Marvin's tragic death in 1984 Jan at last opens up sharing the moving fervently charged story

of one of music history's most fabled marriages Unsparing in its honesty and insight illustrated with sixteen pages of black and white photos After the Dance reveals what it's like to be in love with a creative genius who transformed popular culture and whose artistry continues to be celebrated today **Marvin Gaye, the Master** Marvin Gaye,2006 Book 4 CDs A fitting tribute to the most spellbinding of Motown artists The Master is an amazing and detailed overview of the life and career of Marvin Gaye From his first hits as a romantic lead Stubborn Kind Of Fellow and Hitch Hike to his final hit Sexual Healing The Master follows Gaye as he moves from being an interpreter of simple love songs to being a troubled eco cosmic warrior and finally to being the love man's love man singing songs of sex religion and passion in equal measure Steeped in soul and later saturated in funk Gaye's work is often stimulating and occasionally disquieting and is presented delightfully on this lavish four CD book with sumptuous illustrations and detailed annotation **MARVIN GAYE'S GREATEST HITS [SOUND RECORDING]**. MARVIN. GAYE,1987 *Trouble Man* Steve Turner,1998 *Marvin Gaye* BEN. EDMONDS,2025-05-20

Arguably the greatest soul album ever made What's Going On established Motown star Marvin Gaye as a unique and maverick musical talent His determination and vision resulted in inspirational and pioneering works that in the era of Vietnam and the civil rights protests asked America to take a long hard look at itself Ben Edmonds examines in detail the making of this legendary work initially rejected by Motown's quality control department interviewing many of the artists and record company employees closest to the singer to arrive at a deeper understanding of what the album means It is without question one of the greatest stories ever told With a career that exemplified the maturation of romantic Black pop into a sophisticated form spanning social and sexual polities Marvin Gaye was one of the most consistent and enigmatic of the Motown hit makers Gaye's determination and vision resulted not only in inspirational pioneering grooves but in an album that challenged America **American Legends** Charles River Charles River Editors,2014-08-05 Includes pictures Includes Gaye's quotes about his life and career Includes footnotes and a bibliography for further reading Great artists suffer for the people Marvin Gaye A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Among the many stars gathered by Berry Gordy's Motown Records during the latter half of the 20th century one of the most famous and successful was Marvin Gaye even though the rigidity of the studio's operating procedures constantly collided with his capacity for stubbornness and insistence that he be given the independence to pursue his own artistic vision Of course it's easy to see it from both sides despite the ceaseless thread of masterpieces emerging from Motown studio artists many of them performed and recorded by Gaye it might also be said in his defense that as part of the record company's mission statement Motown operated in a state of near artistic lockdown where creative input by the artist was concerned Unapologetically hit driven Motown measured success almost solely by chart rankings and units sold

and it naturally avoided any alteration of old formulas that produced results all of which made Motown the epitome of an efficiently run music entertainment provider As Marvin Gaye learned however it was not the place in which to nourish his thirst for creative freedom and innovation To further serve the Motown founder s vision even the associated charm school of Maxine Powell was designed to train the singers to carry themselves well in any public situation in accordance with the Motown mission Gaye considered such a confining regimen to be worse than useless and he showed no hesitation in saying so He once complained I am not going to be dictated to by fans certainly I am dictated enough to by my record company to last me a million years In the construct of Berry Gordy s vision only the most successful Motown artists could protest or plead for creative expansion and concessions were far from guaranteed Motown made the careers of many famous artists and they subsequently became household names across America but it very often served as a studio from which many would move on and branch out once their credentials were established In dealing with the rare artist and personality of Marvin Gaye however Motown met the one individual who could resist and even reshape the studio s model without leaving at least until very late in his career That said while What s Going On bucked the trend so far as Motown was concerned it can also be said that Gaye himself shaped Motown s signature sound with hits like How Sweet It Is To Be Loved By You and I Heard It Through the Grapevine Of course Gaye also influenced the music industry as a whole particularly the R B genre Midnight Love and the hit song Sexual Healing are classics that remain instantly recognizable today and the sound can certainly be heard in the works of subsequent artists Gaye s recording career was full of turbulence and so was his personal life a point tragically driven home by the fact that he was shot and killed by his own father the day before his 45th birthday Before his untimely death Gaye battled all kinds of demons including drug abuse and depression and he had stormy relationships with many of the most important figures in his life If anything the chaos surrounding him makes his incredible musical career all the more amazing American Legends The Life of Marvin Gaye looks at the life and career of one of America s most famous musicians
