Marxism Essential Writings:

Marxism David McLellan, 1988 Includes the major statements of classical and contemporary Marxist theory

Marxism: Essential Writings David McLellan, Visiting Professor of Political Theory at Goldsmiths' College David McLellan, 2014-12-10 This selection from the major writings of the most influential Marxist thinkers provides easy and direct access to the sources of the 20th century's most important ideology Those who are baffled by the ramifications of Marxism will find here the major statements of classical and contemporary Marxist theory from Marx himself through Engels Lenin Trotsky and Stalin to Mao Marcuse Guevara and Cabral Together these texts give us a comprehensive view both of the Marxist tradition and of the varieties of contemporary Marxism Professor McLellan has provided every excerpt with a list of further reading and with an introduction which places each author in a historical and political context Students will find this an indispensable first hand guide to essential Marxism David McLellan professor emeritus of Political Theory at the University of Kent at Canterbury has lectured widely in North America and continental Europe He has authored a number of books on Karl Marx including *Karl Marx His Life and Thought* and *Marxism after Marx* Many of his works have been translated into foreign languages He is also the editor of *Karl Marx Selected Writings* **Karl Marx** Karl Marx, 1986-08-26

Essential Writings of Karl Marx Karl Marx, 2010 The basic texts of Marxist socialism Preface gives an easy to understand introduction to Marxist philosophy Includes the complete texts of *The Economic and Philosophic Manuscripts of 1844* *The Communist Manifesto* *Wage Labor and Capital* and *Critique of the Gotha Program* Karl Marx Karl Marx, 1986

The Essential Writings of Robert A. Hill Adam Ewing, 2024-02-13 Bringing together Robert A Hill's most important writings for the first time this collection serves as a testament to Hill's legacy as a pioneering scholar activist archive builder and editor who shaped the study of Garveyism and pan Africanism *Introducing Social Theory* Pip Jones, Liz Bradbury, 2017-11-27 This revised edition of this extremely popular introduction to social theory has been carefully and thoroughly updated with the latest developments in this continually changing field Written in a refreshingly lucid and engaging style *Introducing Social Theory* provides readers with a wide ranging well organized and thematic introduction to all the major thinkers issues and debates in classical and contemporary social theory *Introducing Social Theory* traces the development of social theorizing from the classical ideas about modernity of Durkheim Marx and Weber right up to a uniquely accessible review of the contemporary theoretical controversies in sociology that surround post colonialism gender and feminist theories and public sociology The ideal textbook for students of sociology at all levels from A level to undergraduates *Introducing Social Theory* is remarkably easy to follow and understand This new edition lives up to its predecessors goal that students need never be intimidated by social theory again **The Essential Marx** Karl Marx, 2012-03-07 *DIV* Compact and fascinating this invaluable work not only presents Marx's thoughts in his own words it places them in the swirling context of the early 20th century *div* *Reassessing Political Ideologies* Michael

Freeden,2004-08-02 This book is a high level examination of each of the major ideologies that have shaped political thinking action and conflict Each chapter provides a critical overview of the current state of the major ideologies and a retrospective assessment of the strengths weaknesses developments and transformations of these ideologies over the past century The volume poses a strong challenge to those who have loudly proclaimed the end of ideology by demonstrating that it is impossible to understand current political developments without an appreciation of their ideological context It features internationally respected contributors who are authorities in their fields and will be an invaluable resource for both students and specialists in areas including Politics and International Relations Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1962 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **Karl Marx** Karl Marx,2000 This edition of McLellan s comprehensive selection of Marx s writings includes carefully selected extracts from the whole range of Marx s most important pieces alongside a fully revised and updated bibliography and editorial commentary on each document New editorial introductions to each section of the book provide the reader with the background and context of Marx s writing in each period Essential reading for anyone wishing for a detailed overview of Marx s political philosophy **Barbaric Civilization** Christopher John Powell,2011 Why have the largest mass murders in human history taken place in the past hundred years Why have European colonizers so often denied the humanity of the colonized In *Barbaric Civilization* Christopher Powell advances a radical thesis to answer these questions that civilization produces genocides From its beginnings in the early twelfth century the Western civilizing process has involved two interconnected transformations the monopolization of military force by sovereign states and the cultivation in individuals of habits and dispositions of the kind that we call civilized The combined forward movement of these processes channels violent struggles for social dominance into symbolic performances But even as the civilizing process frees many subjects from the threat of direct physical force violence accumulates behind the scenes and at the margins of the social order kept there by a deeply habituated performance of dominance and subordination called deferentialization When deferentialization fails difference becomes dangerous and genocide becomes possible Connecting historical developments with everyday life occurrences and discussing examples ranging from thirteenth century Languedoc to 1994 Rwanda Powell offers an original framework for analyzing comparing and discussing genocides as variable outcomes of a common underlying social system raising unsettling questions about the contradictions of Western civilization and the possibility of a world without genocide *Discovery* ,1990 **Books in Print** ,1991 **The New Encyclopædia Britannica: Macropædia** ,1993 This encyclopedia includes a two volume index a 12 volume Micropaedia Ready reference a 17 volume Macropaedia Knowledge in depth and the Propædia **Critical Theory** David Rasmussen,James Swindal,2004-01-12 The critical theory of the Frankfurt School continues to be an important influence on many disciplines ranging from philosophy and social theory to cultural studies and art history David Rasmussen has collected key classical texts that provide introductions overviews and

critical interrogations of dominant theorists and positions of the Frankfurt School This is a valuable resource that students of contemporary theory should find of use and import Professor Doug Kellner George F Kneller Philosophy of Education Chair Social Sciences and Comparative Education UCLA This is a major assessment of the Frankfurt School and of Critical Theory Volume I looks at the origins of the School in the 1920 s through to the 1940 s focussing on the key themes the critique of German idealism reading of Marx use of the dialectical methods and the key thinkers Horkheimer Benjamin Adorno and Marcuse In Volume II the ideas of critique of reason and of rationality are examined this includes work on the early Frankfurt School as well as issues like society and technology The focus of Volume III is the literature on subjectivity ethics and politics reviewing socialisation and solidarity situatedness morality and the public sphere The final volume looks at the future of Critical Theory the role of social criticism the relation to postmodernism to psychology to aesthetics feminism and the family and to religion Rich textured and systematic this is a completely up to date overview of Critical Theory which will be the standard reference for libraries and scholars of Social Theory Lessons from the Failure of the Communist Economic System Ladislav Rusmich,Stephen M. Sachs,2003 The authors offer a comprehensive and critical study that examines why neoliberal economic programs have experienced unexpected difficulties in Eastern Europe **The Exchange of Sex for Money in Contemporary Cuba** Gisela C.
