**The Merchant Prince of Cornville** Samuel Eberly Gross,1896   **Gentle Janus, Merchant Prince** Reinout Vos,2022-07-04

The Janus face of the Dutch East Indies Company representing a merchant on one side and a prince on the other has long puzzled historians How could a commercial enterprise firmly rooted in a tradition of free trade turn into a powerful monopolistic empire the moment its ships rounded the Cape of Good Hope This book based on Company archives and Malay historical material offers a reconstruction of the VOC s double role in the complex world of eighteenth century Malay court politics It describes the successes and failures of the VOC s political trade system as practised in its tin trade in the Straits of Malacca from 1740 to 1800 Careful consideration is given to the Company s relations with the sultanates of Pelembang and Johore and the position of the VOC with respect to its English and Chinese competitors The author s main thesis is that the VOC s political mode of operation far from being a deviation from its proper merchant s role was an essential means to achieving success trade privileges were bought by rendering political support to indigenous princes Contrary to popular opinion however the system was not based on forced deliveries the merchant prince s iron hand When this resulted in stable and friendly alliances gentle Janus s system could bear fruit even in the difficult years of the late eighteenth century   **Jacques Cœur** Albert Boardman Kerr,1927   **Darien; Or, The Merchant Prince** Eliot Warburton,1853   **The Poor Boy and Merchant Prince; Or, Elements of Success Drawn from the Life of Amos Lawrence and Other Similar Characters** William M. Thayer,187?   **Capital Offense** Armin Shimerman,2004-03-10 I was born on the thirteenth day of July in the eighteenth year

of the reign of His Glorious Majesty Henry VIII in the one thousand five hundred and twenty seventh year after our Lord s death I had the great good fortune to be born an Englishman and when I came of age in both knowledge and reason I served my country and my queen Elizabeth Regina Trapped by the Medici I was condemned as a heretic and a spy walled up alive condemned to die for queen and country Instead the hand of Fortune swept me up and I was spared It is now the eighteenth day of March in the year 2101 and I am as trapped as I was in Venice Fortune s servant Dyckon a creature called the Roc who by his very countenance calls forth the living visage of the Dark Ones swears he will find a way to send me home to my time my place my queen But the forces of this time and place rage against me as surely as did the Medicis Others of Dyckon s race even now look to wipe clean the face of the planet of every human The powers of this time plot to subjugate me with their horrible machine an identity chip And if these powers were to find out that I was in league with the Roc I would be condemned It will take all the skills I learned as a spymaster to keep me free to stop the Roc and set me on the path to home
