Mercier Camier 1st Edition:

On Beckett S. E. Gontarski, 2014-01-15 *On Beckett Essays and Criticism* is the first collection of writings about the Nobel Prize winning author that covers the entire spectrum of his work and also affords a rare glimpse of the private Beckett More has been written about Samuel Beckett than about any other writer of this century countless books and articles dealing with him are in print and the progression continues geometrically *On Beckett* brings together some of the most perceptive writings from the vast amount of scrutiny that has been lavished on the man in addition to widely read essays there are contributions from more obscure sources viewpoints not frequently seen Together they allow the reader to enter the world of a writer whose work has left an impact on the consciousness of our time perhaps unmatched by that of any other recent creative imagination

Mercier and Camier Samuel Beckett, 2012-10-04 Written over three months in 1946 *Mercier and Camier* was Beckett's first post war work and his first novel in French He came to regard it as a practice piece and set it aside to write his trilogy *Mercier et Camier* was finally published in 1970 and in Beckett's English translation four years later The eponymous heroes tramp around a city then out of it then back again They are aimless but there is something elusive that they should be doing They arrange meetings they drink they argue they discuss being shot of each other They are preoccupied by the weather by provisions by a raincoat by an umbrella by a bicycle All of these ingredients in the later work are accompanied here fleetingly by those things in Beckett that we know but cannot really name those things that occupy so much of the trilogy Intangible things traps in the mind that voice we hear the stop start understanding the ongoing bewilderment the fear Keith Ridgeway George said Camier five sandwiches four wrapped and one on the side You see he said turning graciously to Mr Conaire I think of everything For the one I eat here will give me the strength to get back with the four others Sophistry said Mr Conaire You set off with your five wrapped feel faint open up take one out eat recuperate push on with the others For all response Camier began to eat You'll spoil him said Mr Conaire Yesterday cakes today sandwiches tomorrow crusts and Thursday stones Mustard said Camier
