Mercury Reader Sample :

Mercury Reader Sample PCP Editorial Staff,2003-06-01 The Real World Reader James S. Miller,2015 From academic essays to blogs magazine articles to social media posts newspaper editorials to public service announcements and advertisements to emails The Real World Reader brings together a wide collection of formal writing with an equally diverse array of popular writing from everyday life This innovative rhetorical reader for first year composition courses divides the process of rhetorical analysis into logically sequenced steps that focus on five key concepts purpose audience argument voice and credibility Author James Miller encourages students to use this step by step process in order to identify analyze and master the multiple modes of writing that they will encounter at school work and home Features Uses a rhetorical framework to teach writing rather than examining different modes of writing in isolation and reveals what all forms of writing have in common Introduces rhetorical concepts through a variety of informal and formal writing examples showing students how rhetorical patterns intersect Combines step by step writing instruction with a scaffold of sixty seven diverse readings allowing students to critically write and read four distinct types of selections informal formal and academic selections and sample student essays Connects rhetorical analysis to cultural analysis with content that ranges from debates on multiculturalism to discussions of online privacy and from critiques of modern political campaigning to analyses of modern consumerism Focuses on familiar real world writing demonstrating the important role that writing plays in everyday life
