We are to run on lines like the steam trains or we come to no station dash to fragments. I have the misfortune to know I was born an active. I take my chance. Her efforts to advance her husband through cultivating a friendship with Cabinet Minister Lord Dannisburgh leads to scandal and alienation from her husband Augustus Warwick. attempts to escape from her engagement to Sir Willoughby who desires women to serve as a mirror for him and consequently cannot understand why she would not want to marry him Thus *The Egoist* dramatizes the difficulty contingent upon being a woman in Victorian society when women's bodies and minds are trafficked between fathers and husbands to cement male bonds Critical response In an afterword by Angus Wilson *The Egoist* was called the turning point in George Meredith's career Wilson saw Meredith as the first great art novelist his afterword interprets the book as an adaptation of a stage comedy an achievement he arrogates to few English authors who he suggests present only farce or satire He compliments Meredith most when he is detached from his characters as it is then that our laughter is most thoughtful Wilson is most taken by the absolute truth of much of the dialogue such as how the way Sir Willoughby continues to speak through the answers of other characters returning to notice their replies only when his own vein of thought is exhausted is a wonderful observation of human speech In his essay *Books Which Have Influenced Me* Robert Louis Stevenson reports the following story A young friend of Mr Meredith's as I have the story came to him in agony This is too bad of you he cried Willoughby is me No my dear fellow said the author he is all of us E M Forster discussed the book in his lecture series *Aspects of the Novel* using it as an example of a highly organized plot Much of his discussion however focuses on Meredith and his popularity as an author More materially Forster compliments Meredith on not revealing Laetitia Dale's changed feelings for Willoughby until she rejects him in their midnight meeting it would have spoiled his high comedy if we had been kept in touch throughout in fact it would be boorish Meredith with his unerring good sense here lets the plot triumph rather than explaining Dale's character more fully Forster further compares Meredith with Thomas Hardy complimenting Hardy on his pastoral sensibilities and Meredith on his powerful plots knowing what his novel's could stand George Meredith OM 12 February 1828 18 May 1909 was an English novelist and poet of the Victorian era He was nominated for the Nobel Prize in Literature seven times LIFE Meredith was born in Portsmouth England a son and grandson of naval outfitters His mother died when he was five At the age of 14 he was sent to a Moravian School in Neuwied Germany where he remained for two years He read law and was articled as a solicitor but abandoned that profession for journalism and poetry He collaborated with Edward Gryffydd Peacock son of Thomas Love Peacock in publishing a privately circulated literary magazine the *Monthly Observer* He married Edward Peacock's widowed sister Mary Ellen Nicolls in 1849 when he was twenty one years old and she was twenty eight Meredith collected his early writings first published in periodicals in an 1851 volume *Poems* In 1856 he posed as the model for *The Death of Chatterton* a notable painting by the English Pre Raphaelite painter Henry Wallis 1830 1916 His wife ran off with Wallis in 1858 she died three years later The collection of sonnets entitled *Modern Love* 1862 emerged from this experience as did *The Ordeal of Richard Feverel* his first major novel

The Experimental Impulse in George Meredith's Fiction

Richard C. Stevenson, 2004 This book argues that George Meredith as a writer of Victorian fiction is most critical for us today because of the ways in which he wrote against convention The focus is on seven novels *An Essay on Comedy* *The Ordeal of*

Richard Feverel The Adventures of Harry Richmond The Egoist One of Our Conquerors Lord Ormont and His Aminta and The Amazing Marriage which clearly illuminate the experimental and transgressive impulse in Meredith as seen in his treatment of controversial contemporary themes in his departures from conventions of genre and in his innovations with narrative technique and the representation of consciousness canonical writers we now associate with the first wave of modernism in the English novel James and then Woolf Forster Lawrence Conrad Ford and Joyce to varying degrees all saw Meredith as an influence to be reckoned with in their own novelistic experimentation an influence this book proposes essential to understanding the modernist translation of nineteenth century realism into new formal thematic and psychological realms twentieth century British novel at the University of Oregon
