*The Merlin Chronicles* Random House,1995-08-01    **The Merlin Chronicles** ,1995    **Revelations** Daniel Diehl,2013-09-25 Merlin the Magician only exists in myth and legend at least that s what archaeology student Jason Carpenter thought until he discovered the mysterious orb that had housed history s greatest wizard for 1 600 years Forced into an uneasy alliance Jason and Merlin are sucked into a web of deceit intrigue and murder that sends them on a chaotic race to outwit and out run Merlin s ancient nemesis the evil sorceress Morgana le Fay her gang of drug smugglers and a 500 year old Chinese necromancer Tis a race against time to complete their quest before an army of dragons are unleashed on a vulnerable and unsuspecting 21st century world    **The Merlin Chronicles** Michael Ashley,1995 Magic and adventure from the golden age of Arthurian legend The Merlin Chronicles is a superb collection of stories by some of fantasy s bestselling writers Enter into the darker realms of the age of the Knights of the Round Table times when magic held sway when Merlin and the old ways struggled and vied with Arthur s heroic new world times previously explored in Mike Ashley s The Pendragon Chronicles and The Camelot Chronicles In this volume you will find Jane Yolen on Merlin s youth and coming of age Marion Zimmer Bradley on Nimue Merlin s lover and doom Charles de Lint on Merlin s influence through the centuries Darrell Schweitzer on the legends of Merlin birth plus Tanith Lee Peter Tremayne Phyllis Ann Karr and Jennifer Roberson among many other writers represented here There are brand new stories specially written for this collection rare gems for the Arthurian scholar and a detailed introduction by Mike Ashley on the mystery and magic of Merlin and his world

*Merlin's Dragon* T. A. Barron,2009-08-25 When Basil the dragon discovers a terrible threat to his world and the wizard merlin he begins and epic journey from the Great Tree of Avalon to the outermost edge of the spirit realm to save Merlin and finds a future as great as his heart    *The Medieval Chronicle III* ,2021-11-22 In the summer of 2002 the third international conference on the medieval chronicle was held again in the vicinity of Utrecht the Netherlands There are several reasons why the chronicle is particularly suited as the topic of an international conference In the first place there is its ubiquity all over Europe and throughout the Middle Ages chronicles were written both in Latin and in the vernacular and not only in Europe but also in the countries neighbouring on it like those of the Arabic world Secondly all chronicles raise such questions as by whom for whom or for what purpose were they written how do they reconstruct the past what determined the choice of verse or prose or what kind of literary influences are discernable in them Finally many chronicles have been beautifully illuminated and the relation between text and image leads to a wholly different set of questions This third volume of conference papers again aims to provide a representative survey of the on going research in the field of chronicle studies illustrated by examples from specific chronicles from a wide variety of countries periods and cultural backgrounds    *Hope Reborn* Renae Edwards,2023-11-30 The day was destined to be a great one Not only would Arthur finally free Excalibur from its stone prison but Merlin could also reveal the secret of the prince s noble birth and rightful claim to the throne of Camelot

Everything was perfect until it wasn't. When Merlin's spell goes terribly awry the two young men of Camelot find themselves in ancient Israel during the time of Christ. With the mysterious disappearance of his magic Merlin faces the greatest battle of his life as he and Arthur strive to find their way back home before it's too late. Will all hope be lost or will hope be reborn?

The most powerful dragon of all time Basil is the loyal friend of the great wizard Merlin. Together they serve as courageous defenders of the mystical lands of Avalon now threatened by a creature determined to pitch the realm into darkness Hope

Reset Renae Edwards, 2025-11-07 The wisdom of one timeline must save another if Merlin lives long enough to deliver it.

Stripped of his magic and thrust into ancient Israel Merlin becomes David's truest ally amidst a nightmare of caves, wilderness and enemy territory. As assassination attempts escalate into full scale military hunts David builds something impossible: an army from the desperate a kingdom from the broken a future from ashes. Through it all Jesus teaches Merlin that sometimes the deadliest enemies wear crowns and that faith accomplishes what strength never could. But the hardest lesson of all is that some crowns must be lost before they can be won and some hearts must be broken before they can lead.

**Old English Chronicles** John Allen Giles, 1901 A Bibliography of Modern Arthuriana (1500-2000) Ann F.

Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television, music and art. The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the *Morte Darthur*. It increased in popularity during the Victorian era when, after Tennyson's treatment of the legend, not only authors and dramatists but painters, musicians and film makers found a source of inspiration in the Arthurian material. This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000, including literary texts, film, television, music, visual art and games. It will prove an invaluable source of reference for students of literary and visual arts, general readers, collectors, librarians and cultural historians, indeed by anyone interested in the history of the ways in which Camelot has figured in post-medieval English speaking cultures.
