## **Mermaids For Attila:**

Mermaids for Attila Jacques Servin, 1991-01-01 Mermaids for Attila is a fun hands on toy like book on the subject of well orchestrated national behaviors In it Servin considers horrors and the weirdest political truths Characters discover themselves in communities where citizens engage in intricate dances that appear great ugly exploitative silly or even beautifully unremarkable How do they know the steps As if they had cribsheets they are unshakably confident in their footwork They want so badly to be in a play that they are anyway Jacques Servin is an adept at imagining how things once freed from their ordinary moorings in an administered reality might recohere in a world where life actually lives Mermaids for Attila is a bathotopia for the living a naked lunch on Baker Street where the strangest ideas become well seasoned truths
