Message Of 1 Corinthians:

The Message of 1 Corinthians David Prior, 2020-11-24 When the apostle Paul heard about the problems facing the church in Corinth he wrote them an intense and pointed letter In this revised BST volume David Prior shows the relevance of 1 Corinthians for our times with clear exposition of each passage information about the letter s historical background and key principles and applications for today Life-Study of 1 Corinthians Witness Lee, 1990-08 **The Message of 1**

Corinthians David Prior, 1985 Living like a Corinthian In ancient Greece this phrase was an insult cast at vagrants drunkards and sexual deviates The city of Corinth was infamous as a center for intellectual pride and moral laxity Any church planted there was bound to have problems The Corinthian church was no exception Snobbishness factionalism insensitivity to other believers doctrinal looseness and overexuberance all flourished in the Corinthian church When the apostle Paul heard about the difficulties he was grieved because he had founded the church and felt closely tied to it He therefore wrote an intense and pointed letter In this fresh and gripping exposition of 1 Corinthians David Prior plainly shows the relevance of Paul s letter for our times His hope is that all churches may better live out the lordship of Christ in today s cosmopolitan world Back cover **“The” Message of 1 Corinthians** David Prior, 1985 **Life-Study of 1 Corinthians** Witness

Lee, 1990-08 **Life-Study of 1 Corinthians** Witness Lee, 1990-08 Strengthening Christ's Church Roger Ellsworth, 1995 Paul s first letter to the Corinthians was directed to a deeply troubled church in the midst of a very challenging world The problem was that the church was contaminated by society s sins and confused in its thinking If this sounds hauntingly familiar it is because it hits perilously close to home Today s church finds herself in a frighteningly secular world one in which paganism is aggressive and militant Opportunities are great but the church often seems to be as contaminated and confused as the church at Corinth Paul s letter is a clarion call to the Christians in Corinth and to Christians today to come away from contamination and confusion and to function as salt and light **The Spiritual Message of First Corinthians**

Frank S. Hickman , 1947 **1 Corinthians: A Social Identity Commentary** J. Brian Tucker, 2024-10-17 Paul s first letter to the Corinthians deals with key aspects of the formation of the Christian community at Corinth Paul uses his correspondence with the Corinthians to address issues of morality of community structure of ritual and of religious behaviour The letter is a key document for understanding the development of Christianity and for understanding Christianity in its earliest context In this Social Identity Commentary J Brian Tucker provides a comprehensive coverage of the issues and concerns related to 1 Corinthians from the perspective of social identity Tucker outlines his interpretation of the theoretical issues concerned and then applies this to provide a clear overview of historical and critical issues related to the study of 1 Corinthians This provides a clear engagement with the text that will serve as a useful resource for scholars students clergy and people interested in the formation and purpose of the letter **First Corinthians: An Exegetical and Explanatory Commentary**

B. Ward Powers, 2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul s

meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today s world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul s opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God

Life-study of First Corinthians Witness Lee,2023-09-26 In the book of 1 Corinthians Paul addresses 11 difficult problems in two categories In the Life study of 1 Corinthians Witness Lee helps us see that Christ is the unique factor to solve the first six problems and that the church is the unique factor to solve the final five problems Christ as God s center and the One given to us as our unique portion is the unique factor for solving all the problems in the realm of human life The church is the element for settling all the problems in the realm of the divine administration By living Christ the believers are not only saved from all the problems in human life but are also brought into a right relationship with the Body of Christ under the headship of Christ to carry out God s administration

1st Corinthians Correcting the Church Practical Christianity Foundation,2020-08-08 Correcting the Church In his first epistle to the Corinthian Church the apostle Paul confronted the immorality doctrinal confusion and frequent disputes that had become commonplace among the Corinthian believers Paul s message to this church was simple yet powerful Consider the values of Christ s redemption and realign your thinking with God s instructions Although this letter was written to correct admonish instruct and encourage the early church they are just as relevant to us today This verse by verse devotional study complete with engaging commentary and practical life applications will challenge you to pursue a closer walk with Jesus Christ and grow in the faith

Beyond What Is Written Timothy Milinovich,2013-08-16 This book engages the structure and message of 1 Corinthians within its most relevant context of late Western antiquity s oral culture Using a text centered methodology Timothy Milinovich demonstrates and analyzes a series of concentric patterns or ring formations through which Paul develops his arguments to the Corinthian church Such patterns were ubiquitous in oral cultures and their literature These structures which are defined by objective lexical repetitions aid the interpretation of an overall concentric pattern of three sections A 1 1 4 21 B 5 1 11 1 A 11 2 16 24 nine ring sets a 1 1 17 b 1 18 3 3 a 3 4 4 21 a 5 1 6 20 b 7 1 40 a 8 1 11 1 a 11 2 14 40 b 15 1 58 a 16 1 24 thirty five ring

units e g 5 1 13 10 1 17 15 12 24 and numerous micro rings e g 4 6 8 8 1 4 Analyzing these lexical repetitions presents a demonstrably coherent message as it progresses through the concentric portions of the text These findings represent a departure from previous treatments of the letter as if it were a modern linear essay As shown throughout this work many linear treatments view the units like wooden blocks only to build a single unbalanced tower and thus can miss important rhetorical connections in the concentric textual units Milinovich treats the units and sets like interlocking pieces to present the inherent cohesiveness of the complex yet integral exhortation to grace love and unity that Paul wished to convey to this community on the verge of collapse Among the conclusions drawn in this book Milinovich argues that many parallel ring sets together present an anti imperial message and that both 11 3 15 and 14 34 35 are likely later interpolations Scholars pastors and students alike will find many useful elements for interpreting or preaching 1 Corinthians in the modern world **1**

Collins, 2016-03-18 2000 Catholic Press Association Award Winner One of the most exciting of Paul's letters 1 Corinthians offers a vantage point from which modern readers can reflect on diverseness in Christian Churches today In First Corinthians Raymond Collins explores that vantage point as well as the challenge Paul posed to the people of his time and continues to pose in ours to allow the gospel message to engage them in their daily lives Paul introduces us to a flesh and blood community whose humanness was all too apparent Sex death and money were among the issues they had to face Social conflicts and tension within their Christian community were part of their daily lives Paul uses all of his diplomacy rhetorical

skill and authority to exhort the Corinthian community to be as one in Christ In examining Paul s message and method Collins approaches 1 Corinthians as a Hellenistic letter written to people dealing with real issues in the Hellenistic world He cites existing Hellenistic letters to show that Paul was truly a letter writer of his own times Collins makes frequent references to the writings of the philosophic moralists to help clarify the way in which Paul spoke to his beloved Corinthians He also comments on some aspects of the social circumstances in which the Christians of Corinth actually lived The Message of Jesus Bennett Harvie Branscomb,1926 *The Messages of Paul* George Barker Stevens,1900 1 Corinthians 1-4 Oh-Young Kwon,2010-08-01 This book investigates 1 Corinthians 1 4 from a rhetorical and social perspective and explores that a divisive culture of rhetorical and paternal elitism lies behind the schisms and problems identified in the letter This culture appears to have been shaped to some extent by the legacy of Cicero Paul s references to boasting and imitation indicate both his subversive use and his critique of this Greco Roman wisdom In the final chapter this analysis of wisdom traditions and their social consequences among first century Corinthians leads to a critical reflection on similar dynamics among Korean Christians in twenty first century Korean Confucian culture In particular Korean Protestants are encouraged to take a more positive stance towards Confucian wisdom traditions as exemplified by T oegye s legacy and some insights are suggested into the ethics of imperial worship ancestral veneration and ethnic exclusivity *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe s trustworthy insights on the entire New Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read ...The Messages of Paul Arranged in Historical Order, Analyzed, and Freely Rendered in Paraphrase ,1901
