Text Messages From Heaven Desjean Peyton Jones,2021-03-31 Text Messages from Heaven is an inspiring work led by the Holy Spirit With its beginning as encouraging text messages to ten friends turned into more than 800 weekly These messages are shared to encourage every reader that God still reaches into every situation to remind us that we are His greatest concern His mercy endures forever even through a text message **Messages from Heaven** Rebecca Segovia,2009-02-24 The writer never having an interest in reading or writing poetry suddenly after the loss of a nine month old grandchild Sarita to a tragic accident began hearing a beautiful subtle voice that would not stop until the voice was written The writings were poems that delivered a message of love and compassion to humanity The first messages heard were those of people who had died and the words were in first person as narrated by the heard voice I began to wonder if my own death was imminent and I was to leave these messages to my children when the fear subsided Babies From Heaven started to be heard these are babies coming from heaven and telling their parents of their arrival then All of us in Between for mothers fathers sons daughters and all of humanity Each poem was voiced in its entirety with the urgency for the writer to put on paper Every word is exactly as it was heard the message is of love and compassion touching the hearts of all who read them The name Messages From Heaven is what they truly are voiced by angels to ease the pain and grief of the writer The poems since 1994 have been used to give to our hospice client s family which they treasure Recently a person asked me if I believed in God and when I answered yes he asked me if I did not think that God had given me these poems to share with humanity immediately I decided to have them published **Text Message from Heaven to Earth** Paulette Honeygosky,2007-12-21

love is the best kind of love It is the first love we learn through our parents and siblings God expresses his love for us when he gave his only son to save us Life is a challenge sometimes the choices and chances we take are wrong and then there are the ones we learn from that makes us strong Don't be so quick to give up on one another You never know when the road will curve in your life Family or not be kind and respectful to one another cause in the blink of an eye things can change Stop

holding on to hate and letting hate take over Jeanette made the choice to leave and get help for her addiction She took the chance on putting it off until later We aren't the judge of one another so we cannot say or assume she was too late to turn around What took place between her and God is unknown Losing Jeanette was a very hard chapter in our lives Raising her four daughters with so much sadness hurt and anger wasn't easy for us We managed to keep all four girls within the family holding on to God's grace we gave plenty of love and patience to raise these four beautiful girls No one can predict what will happen in our lifetime We will lose loved ones and friends along the way Whether it's by a violent crime accident sickness or old age it will cause deep pain These four girls lost their mother at a very young age and with no father to lean on Now they are grown and raising families of their own A couple's love is a special bond between two people but to find a special person is to have a bond with God You can pray to God day and night but if you aren't living right he won't hear you No one is perfect but to do your best by living by his word and he will overlook the rest He loves us unconditionally that is why he laid down on the cross for us I myself had given up on love because of so many broken promises and failed relationships I felt this late in life love wasn't in the stars for me so I turned it over to God and left it there And just when I thought all was lost there he was an old friend whom I once had the sparkles of a thousand stars for but never expressed it To me the time we lost touch had never happened about four years or so He was still that tall handsome warm spirited gentleman I met years ago We continue being friends like no time had passed until he said six words that will be forever imbedded in my heart You know I like you right From there a beautiful relationship was started [Messages from Heaven \(Open Edition\)](#) Nancy
