Message Of Amos:

The Message of Amos J. Alec Motyer, 2024-04-02 Israel neglected the needy gained riches through exploitation and indulged in inauthentic religious practices With searing clarity and daring hope Amos calls God's people to repent This revised BST volume exposes and explains Amos's prophetic call for Israel's repentance showing the message's astonishing relevance for today

Motyer, 1974 The Message of the Prophets of Israel to the Twentieth Century Herbert Lockwood Willett, 1916 **The Prophet Amos Speaks to America** Bruce G. Epperly, 2022-10-21

The prophet Amos is known for fiery messages directed at the elites of the northern kingdom of Israel in ancient times Can this prophet also speak to us in America today This book looks at the message that Amos proclaimed and applies it to parallel situations in modern America Issues such as the worship of wealth greed privilege and elites living off the labor of others are more similar in these two times and places than one might initially assume How can we respond as people of faith to the evils of our own time Are we responsible to notice and take action Is taking such action part of our faith If we listen to the prophet Amos the answer is a resounding yes God cares about the weak the oppressed and the downtrodden and looks to those with the means to help implement change We are truly asked to take responsibility for the well being of our neighbor Christians would be especially challenged by this book and the message of the prophet Amos because so much of that message was also proclaimed by Jesus who based judgment on how one treated the least rather than those who are great With study and thought questions with each chapter and an abundance of suggestions for practical action this book is a great tool to use in a church wide study combined with a call to action

The Messages of the Earlier Prophets Frank Knight Sanders, Charles Foster Kent, 1903 The Lord is His Name Gordon J. Keddie, 2015

The message of Amos is pre eminently a message of new life The message however comes in the context of a nation under judgement Israel hid the emptiness and godlessness of a corrupt society behind an apathetic and nominal outward religion like so many today God's view of our society is revealed in Amos in no uncertain terms While no refuge is offered for those who reject or disregard God's will shining through the gloom most brightly is the precious gift of new life through faith in God's Saviour his Son Jesus Christ
