## **Messianic Hope A Divine Solution For The Human Problem:**

*The Messianic Hope* Arthur W. Kac, 1975      **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world      **Jesus Christ in World History** Jan A. B. Jongeneel, 2009 Based on the author's thesis Th D Leiden University 1971      **Andrea Carter and the Family Secret** Susan K. Marlow, Even after dealing with escaped convicts and wild horses Andi isn't prepared for her latest surprise a sister she never knew she had      *Re-imagining African Christologies* Victor I. Ezigbo, 2010-02-08 Who do you say that I am Mark 8:29 is the question of Christology By asking this question Jesus invites his followers to interpret him from within their own contexts history experience and social location Therefore all responses to Jesus's invitation are contextual But for too long many theologians particularly in the West have continued to see Christology as a universal endeavor that is devoid of any contextual influences This understanding of Christology undermines Jesus's expectations from us to imagine and appropriate him from within our own contexts In *Re-imagining African Christologies* Victor I Ezigbo presents a constructive exposition of the unique ways that many African theologians and lay Christians from various church denominations have interpreted and appropriated Jesus Christ in their own contexts He also articulates the constructive contributions that these African Christologies can make to the development of Christological discourse in non African Christian communities      *A Spirituality That Secularizes* Emerito P. Nacpil, 2015-03-17 Bishop Nacpil's book connects the creator with the creation It

deals with the longing for the elusive and unfathomable something that strengthens reader's relationship with the creator. It delves into his or her relationship with God and God's relationship with the person as an unbreakable bond which Bishop Nacpil describes as a spirituality that secularizes. He describes how the Spirit is at work within each person empowering them to make choices that promote, preserve, and enrich creation. Without the Spirit, everyone would float above their vessel of clay rather than fully living in it. The book enables the reader to see not only a meaningful wholeness out of his or her frenzied life but also that the good each person does in the secular world is their active participation in the work of the Spirit.
