The Metallic Muse Lloyd Biggle, Jr., 2003-09-01 Lloyd Biggie is not only a writer but also a musician In THE METALLIC MUSE he has included seven science fiction stories written over several years all of which in some way relate to the arts Thoroughly entertaining and provocative many of the stories explore the intricate relationship between life and art and all of them contain very pertinent ideas about present and future experience Superbly demonstrating their author s depth of insight to the human condition they offer to all who read them an intriguing blend of accurate analysis and sometimes devastating speculation
