Porter, 1997 This handbook provides a substantial theoretical and practical guide to the multi faceted discipline of exegesis of the New Testament It offers succinct and well informed essays with plenty of bibliography written by experts in their respective fields The handbook will serve well as a textbook as well as a reference book to the major tools and topics in the area This publication has also been published in paperback please click here for details *Method and Message of Jewish Apocalyptic* D. S. Russell, 1964 **The Method and Message of Jewish Apocalyptic 200 B.C.-A.D. 100** D. S. Russell, 1971 The Prophetic Tradition and Radical Rhetoric in America James Darsey, 1999-09-01 This expansive volume traces the rhetoric of reform across American history examining such pivotal periods as the American Revolution slavery McCarthyism and today s gay liberation movement At a time when social movements led by religious leaders from Louis Farrakhan to Pat Buchanan are playing a central role in American politics James Darsey connects this radical tradition with its prophetic roots Public discourse in the West is derived from the Greek principles of civility diplomacy compromise and negotiation On this model radical speech is often taken to be a symptom of social disorder Not so contends Darsey who argues that the rhetoric of reform in America represents the continuation of a tradition separate from the commonly accepted principles of the Greeks Though the links have gone unrecognized the American radical tradition stems not from Aristotle he maintains but from the prophets of the Hebrew Bible

Determinism and Petitionary Prayer in John and the Dead Sea Scrolls Emmanuel O. Tukasi, 2008-07-08 Tukasi explores the theme of the determinism as articulated in the Rule of the Community and the Fourth Gospel with the aim of uncovering the relevance of petitionary prayer within the framework of the determinism of each book Chapter one sets out the background against which the themes of determinism and petition in 1QS and John should be understood Chapter two explores the nature of the determinism in the 1QS The determinism is cosmological soteriological and eschatological Chapter three demonstrates that the contents of the petitions are in harmony with the determinism articulated in 1QS In our study of the Fourth Gospel chapter four demonstrates that the determinism in John is concerned with the predestination of certain people who are designated as the given ones of the Father It also shows that the determinism of the Fourth Gospel is concerned with the mission of the Son Chapter five analyzes the petitions in John against the background of Johannine determinism It argues that the petitions are shaped by the determinism articulated in the text The conclusion sums up the

similarities and differences between John and 1QS in their expression of determinism and petitionary prayer and draws attention to the implications on previous and future scholarship on the relationship between John and the Scrolls **Paul, a New Covenant Jew** Brant Pitre, Michael P. Barber, John A. Kincaid, 2019-08-08 After the landmark work of E P Sanders the task of rightly accounting for Paul's relationship to Judaism has dominated the last forty years of Pauline scholarship Pitre Barber and Kincaid argue that Paul is best viewed as a new covenant Jew a designation that allows the apostle to be fully Jewish yet in a manner centered on the person and work of Jesus the Messiah This new covenant Judaism provides the key that unlocks the door to many of the difficult aspects of Pauline theology Paul a New Covenant Jew is a rigorous yet accessible overview of Pauline theology intended for ecumenical audiences In particular it aims to be the most useful and up to date text on Paul for Catholic Seminarians The book engages the best recent scholarship on Paul from both Protestant and Catholic interpreters and serves as a launching point for ongoing Protestant Catholic dialogue Paradox and Perseverance Dennis C. Bustin, 2006-08-01 Studies In Baptist History And Thought The seventeenth century was a significant period in English history during which the people of England experienced unprecedented change and tumult in all spheres of life At the same time the importance of order and the traditional institutions of society were being reinforced Hanserd Knollys born during this pivotal period personified in his life the ambiguity tension and paradox of it openly seeking change while at the same time cautiously embracing order As a founder and leader of the Particular Baptists in London despite persecution and personal hardship he played a pivotal role in helping shape their identity externally in society and internally as they moved toward becoming more formalized by the close of the century **Angels** Cummings, Owen F., 2023 This book presents a solid Catholic teaching about angels through Scripture and tradition It includes the ideas of modern theologians such as Bernard Cooke and Karl Rahner **Apocalypticism in the Western Tradition** Bernard McGinn, 1994 This work on how apocalypticism in medieval times was viewed in terms of the Western tradition covers symbols connected with the idea of the apocalypse Teste David cum Sibylla papal power and significance Joachim of Fiore the role of Bernard of Clairvaux and other matters From Apocalypticism to Gnosticism Ithamar Gruenwald, 1988 This collection of papers and articles brings together the results of over 10 years of research in the field of Jewish esoteric literature The major subjects dealt with in the book are the nature of Jewish esoteric literature the development of Jewish Apocalypticism and Merkavah Mysticism from Scriptural Prophetism the major qualities of Apocalypticism the relationship between Judaism and Gnosticism Judaism and Manichaeism and the problem of a Jewish type of Gnosticism **Jewish Mysticism** Sheila A. Spector, 1984 **Eschatology in the Theodicies of 2 Baruch and 4 Ezra** Tom W. Willett, 1989 *Wissenschaftliche Untersuchungen Zum Neuen Testament*, 2001
