This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment, and evaluation; motivation; administrative tasks; and recruiting and scheduling, including block scheduling. The second section devotes a chapter to each wind instrument plus percussion and strings and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.

Arban's Famous Method for Slide and Valve Trombone and Baritone Charles L. Randall, Simone Mantia, 2013-09

The Trombone Trevor Herbert, 2006-01-01 This is the first comprehensive study of the trombone in English. It covers the instrument, its repertoire, the way it has been played, and the social, cultural, and aesthetic contexts within which it has developed. The book explores the origins of the instrument, its invention in the fifteenth century, and its story up to modern times, also revealing hidden aspects of the trombone in different eras and countries. The book looks not only at the trombone within classical music but also at its place in jazz, popular music, popular religion, and light music. Trevor Herbert examines each century of the trombone's development and details the fundamental impact of jazz on the modern trombone. By the late twentieth century, he shows, jazz techniques had filtered into the performance idioms of almost all styles of music and transformed ideas about virtuosity and lyricism in trombone playing.
