Methodists In Dialogue:

Methodists in Dialogue Geoffrey Wainwright, 1995 This book illustrates the characteristic contribution of Methodism to ecumenical dialogue the combination of doctrinal responsibility spiritual engagement missionary orientation and the glorification of the Trinitarian God and ends with a plea that in the face of contemporary challenges Methodists will be Wesleyan enough to keep walking with historic Christianity The book includes dialogue between Methodism and Roman Catholicism Lutheranism the Reformed Church Orthodoxy ecumenism and several multilateral movements

Methodist-Catholic Dialogues ,2001 Articulates the vision that binds Methodists and Catholics together and the many achievements to date Published jointly by USCCB Publishing and the General Commission on Christian Unity and Interreligious Concerns **Dialogues** William J. Abraham, 2014-07-16 All sides agree that the United Methodist Church is at a crisis point Disputes that have persisted like a low grade fever across decades have intensified to a point where the entire body is now under threat and the worried glances in the direction of the medicine cabinet suggest that it may be out of Band Aids This series of dialogues seeks to capture something of the positions of those who have shaped the debates that have brought the church to the brink as well as something of their character and personality It is these broad types that ultimately will go a long way to determining how the current crisis gets resolved Recent dramatic developments in the United Methodist Church have centered on the refusal by some elders and bishops not just to disregard church law but to challenge it and nullify its effects Many are now convinced that it is time to look separation in the eye others see this as a catastrophe to be avoided at any price and yet others still are convinced that allowing for a local option will save the day Folk at all levels disagree on what the crisis is how to understand its causes and on how to solve it By deploying the genre of dialogues the author sets out to provide a realistic and nuanced account of the chief actors involved and their respective positions The interchange is frank focused and forthright The result is a refreshing airing of the issues in a rigorous and witty exchange of views It is indispensable reading for all who care about the future of The United Methodist Church *The Roman Catholic and Methodist Churches in Dialogue* Emmanuel Asante, 1998 Reformed and Methodists in Dialogue ,1988 *The Oxford Methodists* Luke Tyerman, 1873 **The Oxford Handbook of Methodist Studies** William J. Abraham, James E. Kirby, 2009-09-25 With the decision to provide of a scholarly edition of the Works of John Wesley in the 1950s Methodist Studies emerged as a fresh academic venture Building on the foundation laid by Frank Baker Albert Outler and other pioneers of the discipline this handbook provides an overview of the best current scholarship in the field The forty two included essays are representative of the voices of a new generation of international scholars summarising and expanding on topical research and considering where their work may lead Methodist Studies in the future Thematically ordered the handbook provides new insights into the founders history structures and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement Key themes explored include worship forms

mission ecumenism and engagement with contemporary ethical and political debate *A dialogue between two Wesleyan Methodists, on the agitations by messrs. Encyclopedia of Martin Luther and the Reformation Mark A. Lamport,2017-08-31 The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him in history and through today Organized by a stellar advisory board of Luther and Reformation scholars the encyclopedia features nearly five hundred entries that examine Luther s life and impact worldwide The two volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions Entries explore Luther s contributions to theology sacraments his influence on the church and contemporaries his character and more The work also discusses Luther s controversies and topics such as gender sexuality and race Publishing at the five hundredth anniversary of the Reformation this is an essential reference work for understanding the Reformation and its legacy today British Museum Catalogue of Printed Books ,1892 Why I am a Methodist. A dialogue between an Episcopalian and a Methodist who formerly belonged to the Church of England. Reprinted from a publication of the Methodist Book and Publishing House, Toronto ,1886 **The Separation of the Methodists from the Church of England** Robert Leonard Tucker,1918

God's Love Through the Spirit Kenneth Loyer,2014 Although the doctrine of the Holy Spirit has often been a neglected subject in theology it remains vital for understanding both the Christian confession of God as Trinity and the nature of the Christian life In view of those two topics God s Love through the Spirit examines the relationship between love and the person and work of the Holy Spirit in Thomas Aquinas and John Wesley two very different figures whose teachings on the Spirit and the Christian life are found to be on the whole surprisingly compatible An investigation into Aquinas s amor based pneumatology including a groundbreaking analysis of his recently discovered Pentecost sermon and a fresh assessment of the doctrine of sanctification in Wesley show that in distinctive yet largely complementary ways Aquinas and Wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love
