Cole, chairman and founder of The Cole Group and The Institute of Economics and Finance, *Selling to the Affluent* is well written, relevant, and exciting; it presents an important complementary extension to *Marketing to the Affluent*. William D. Danko, PhD, coauthor of *The Millionaire Next Door*     **The Affluent Consumer** Ronald D. Michman, Edward M. Mazze, 2006-09-30 By any measure, the affluent sector is growing exponentially and is far more diverse in terms of ethnicity, education, location, and professional background than any time in the past. This market represents lucrative opportunities for companies that understand how these customers think, act, and make purchasing decisions. Applying primary research, including demographic and economic data, and expertise developed from decades of studying, teaching, and consulting in marketing and consumer behavior, Ronald Michman and Edward Mazze present a comprehensive approach to analyzing the affluent consumer and creating, promoting, and selling innovative products and services to them. Illustrating their principles through dozens of examples, including Armani, Mercedes-Benz, Brooks Brothers, Neiman Marcus, Merrill Lynch, Tiffany, and even discounters such as Target and Wal-Mart, the authors deconstruct how a complex market segment works. Dispelling popular myths and misconceptions about the composition and behavior of this segment, they provide not only a practical guide for marketers and students of marketing but a fascinating glimpse into a culture driven by materialism, status, and aspirations to luxury. By any measure, the affluent sector is growing exponentially and is far more diverse in terms of ethnicity, education, location, and professional background than at any time in the past. In 2004, there were 8.2 million households in the United States with net worth over 1 million, excluding primary residence. Meanwhile, between 1995 and 2001, the number of families filing tax returns for income exceeding 200,000 doubled. This market represents lucrative opportunities for companies that understand how these consumers think, act, and make purchasing decisions.     The Art of Selling to the Affluent Matt Oechsli, 2014-01-10 Attract and retain affluent customers and clients.
