Ministry in the Marketplace Michael S. Kocurek,2010-04 Become a minister in the marketplace Ministry in the Marketplace Joining Your Personal Faith and Professional Life shows how to bridge the divide between calling and career If you ever wondered whether or not God could work wonders in your workplace then this is the book for you Quit leaving the ministry to professional ministers and start reaching people in your sphere of influence We were made to represent God and touch

people's lives and when we don't do what we were created to do we are left feeling empty and dissatisfied. Yet this book is more than just about purpose but also a practical discussion about how to really walk with God as a minister in the marketplace. Those that are not called to the full time ministry still have a real calling to reach out to others on God's behalf because we were created to touch the world with the love of God. That does not mean we have to be in a pulpit ministry but that our daily lives are our pulpit and the people around us our congregation. Inside this revolutionary book author Michael Kocurek reveals It is God's will for us to minister to people around us even while we are on the job. A godly definition of success doesn't exalt work at the expense of God's purposes. We have placed too much of the work of ministry on the pastor of the local church. Michael Kocurek is a husband father and marketplace minister who expresses his Christianity through the vocation of professional selling. A graduate of Texas Tech University Michael has committed his life to communicating the message of marketplace ministry. He resides in Albuquerque New Mexico with his wife and four children. Here he shares his story and many other motivating how to accounts of businesses schools and communities that have put God at the center of their vision and seen miraculous turnarounds. See how one company in Minnesota planted 600 churches in the Ukraine. Discover how a real estate developer turned a foreclosed mall into a focal point that would change a city. Learn how one woman's self published book blossomed into a movie and how a pastor's idea for a motion picture camera led to 200 million to make his first major film. Heeren also shares practical ideas for readers who catch his enthusiasm and passion for bringing about transformation in their own communities. After reading Heeren's book you'll see why with God nothing is impossible. *Ekklesia* Ed Silvoso, 2017-05-02. Dynamic New Teaching from Bestselling Author Ed Silvoso. The word church has many connotations we think of it as a specific building as a group of people even as a long service to sit through. We hardly ever think of it as world changing and neither does society. Yet this is exactly what the first century ekklesia was. In these vital eye opening pages bestselling author Ed Silvoso takes you back to the first days of the church. Digging into Scripture he shows how the New Testament church devoid of buildings professional clergy and religious freedom was able to transform the hostile pagan places into which it was born and set in motion a process that changed the world forever. Even more Silvoso offers a roadmap back to becoming the ekklesia Jesus called his church to be. In the midst of the social economic political and moral chaos in our world today we possess the hope that people and nations so desperately need and we can become the revolutionary transformational life giving voice Jesus called us to be. A new in depth curriculum kit which features a DVD with 12 brand new teaching sessions a group guide for both leaders and participants and a copy of the book is also available. Expounding on the book's dynamic teachings each kit contains everything you need to equip your group to transform the world around them. *Transform your*
