Good,Otis F. Kelly,1951      *Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of Medicine (U.S.),1948*      **Marriage, Morals, and Sex in America** Sidney Ditzion,2017-11-24 Excerpt from Marriage Morals and Sex in America A History of Ideas In every instance actors on the reform stage made certain to connect their emphasis with some set of intellectual social or political principles Many placed their ideological wares on sale in the public market while they themselves lived privately in accordance with socially accepted patterns of sexual behavior They wrote essays and lectured to audiences but did nothing about their grievances and suggestions The account of such persons will consist of placing their ideas in the context of the period in which they lived Biographical details will cast light upon the circumstances attending the birth of their ideas Alongside the theoreticians there were the bold practitioners like the Oneida Perfectionists and free love anarchists who acted out the ideas they advanced The pages devoted to these will naturally savor more of life and less of print or ink One remarkable similarity about practically all of these reform movements was that a large portion of their efforts was directed toward creating an equitable balance of power between the sexes plus a more satisfying expression of sexuality for both sexes When apparently identical ideas appeared in the context of separate reform movements they were in actuality distinct as to logic and flavor but related in that they pursued a common objective In brief whatever their political humanitarian medical faddist or religious complexions these many reformers have been contributors to the feminist cause Marriage Morals and Sex in America is therefore a complete story of the women's rights movement of the struggle to achieve human rights for a sexual minority About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an
