daughter out of wedlock who never met her biological father seemed to be a relatively good match for him As we both respected the dedication of the other s parenting we grew to love each other and later married There was a catch however her name was Andrea In almost a decade of marriage I experienced more emotional turbulence than I could have ever fathomed From Andrea s manipulations lies hatred alienation and car keying to self harm arrests Baker Acting and ultimately the ugly demise of my marriage my forever was tainted and destroyed My husband our respective daughters and I would never be the same
