Personal Disclosures David Booy,2017-03-02 The seventeenth century saw a dramatic increase in self writing from the private jotting down of personal thoughts in an irregular and spontaneous way to the carefully considered composition of extended autobiographical narrative and deliberate self fashioning for public consumption Recent anthologies of women s writing drawing to some extent on this rich but relatively little known archive have demonstrated the importance of studying such material to gain insight into female lives in that era Personal Disclosures is innovative in that it stimulates and facilitates comparative analysis of female and male representations of the self and of gendered constructions of identity and experience by presenting a broad range of extracts from both women s and men s autobiographical writings The majority of the extracts have been freshly edited from original seventeenth century manuscripts and books Exploiting all kinds of text diaries journals logs testimonies memoirs letters autobiographies the anthology also encourages consideration of topics central to current scholarly interest religious experience the body communities the family encounters with new lands and peoples and the conceptualization and writing of the self A General Introduction discusses early modern autobiographical writing and there are substantial introductions to each of the six sections together with detailed suggestions for further reading A Letter and a Prayer for Married Couples Linda Faye Anderson,2021-03-29 If you are married or planning to get married you should read this book I do not claim to be an expert but I want to share with you what I have learned after being

married for twenty seven years in hopes that it will help you in your relationship At the end of each chapter a prayer will be offered for your marriage Marriage today is under attack The enemies that attack us individually also attack our marriages the world the flesh and the devil Marriage is attacked by the world because of the modern mindset that marriage is not considered as necessary as it was many years ago Marriage is under attack by the flesh because we live in a society where the common theme is that it is all about me and what I want No one wants to deny themselves anymore Marriage will require some self denial Finally marriage is under attack by the devil who hates marriages because marriage represents the love God has for his people I believe the devil has assigned evil spirits under his command to destroy marriages and the ideal of marriage by any means necessary Considering the attacks on the institution of marriage this book seeks to strengthen marriages by addressing some common topics that married couples encounter such as communication intimacy and forgiveness We will also discuss why you need prayer in your marriage Why is it important to have a relationship with God Why you need to forget the past We will even get into the everyday things that irritate us as married couples We will also discuss the importance of supporting each other and much more I know if you apply the information in this book your marriage will be strengthened To God be the glory *After You Say "I Do" Devotional* H.
