The Serendipity of Marriage Michal D. Winters, 2013-12-05 The Serendipity of Marriage is based on biblical scripture teaching Winters as a minister have been consoling men women and couples for over twenty years discussing their difference in the behavior of the opposite gender To

help them better understand their role in their relationship Winters would direct them to scripture where they are able to feel their role within their relationship Marriage is a sacred union before God it does not matter how difficult your relationship is with your husband or wife because if you first have that relationship between you and God then your relationship between your husband or wife will be a benefactor of your relationship with God We should not go into marriage because of money or other material wants but it should be based on LOVE and only LOVE everything else that you receive after marriage would be a blessing from God

**The Honest to God Church** Doug Bixby, 2007-06-27 Doug Bixby knows that many of us have had enough of the liberal vs conservative battles in the church In The Honest to God Church Bixby demonstrates how these extremes have distracted us from our true calling as conduits for God's grace both individually and as congregations Many churches see themselves as okay while everyone outside the church is not okay These churches embrace an ethic of perfection rather than love Often they are very judgmental and rigid little room exists for grace after a person is converted Legalism rather than love becomes the primary defining characteristic people pretend to be perfect even though they are not In reaction to this approach many churches have replaced judgmentalism with an ethic of tolerance But tolerating someone is not the same thing as loving them Tolerance demands only that we give people space Love is deeper and more significant and demands that we enter into their space Besides if on our own we are okay then why do we need God and one another Bixby recommends we embrace the teaching of Martin Luther that we all are saints and sinners simultaneously Churches that do this raise disciples who readily admit their sin and brokenness and see God's grace as the only means for straightening out their lives Bixby encourages all congregations to live this way authentically and transparently so that we do not have to pretend that we are okay when we are not Bixby challenges us to respond to Jesus's call to come as we are not as we think we ought to be
