Marry For Money:

Don't Marry for Money Or Looks Kay Rose Nachilima,2015-01-18 True love is priceless and any woman looking for true lasting love should never be careless when it comes to marriage Always ask yourself this question Is money and good looks worth being UNHAPPY in a relationship Think about it This is your life marrying for money or looks is plain wrong If Prince Charming or Mr Rich man isn t right for you then you are better off with average Joe Treat yourself like Precious Jewels Don t settle for nothing less than True Love I guess Nothing else needs to be said I have said it all But let me say this Till death do us Part should mean exactly that Marriage is serious business It is completely different from a relationship A marriage is a union an institution When you get married everything changes you become one Sometimes you have to walk away from people not because you don t care but because THEY DON T When someone hurts you time and time again accept the fact that they don t care about you No matter how much money they have or how good they look It s a tough pill to swallow but it s necessary medicine Staying with someone simply for what they look like on the outside is like choosing your favorite food based on color instead of taste It makes no sense You can t chew on hot peppers all day long because red is your favorite color Be good to yourself

How to Marry Money Patricia Duvall, **"Marry for Money, You'll Learn to Love Later!"** Roger J. Geronimo,2006-05-25 This is the incredibly interesting story which describes the unbelievable mistakes we make in life how we cope with them into the future and what are the lessons learned from this thing called life The story is mixed with a sense of sarcastic humor but always stressing the benefits of humor It is also a story of hope and encouragement as the author fights a battle that his dad his hero lost to Parkinson s disease Heres the Forward What is life really all about Why are we here Is there any purpose to our existence These are questions that have

been asked over and over again for centuries and centuries Well I believe I have found the answer now that I am totally broke and deteriorating thanks to Parkinsons disease Gee thanks guys The sarcastic sense of humor in me concludes the following about our existence here on planet earth LIFE IS A BITCH THAN YOU MARRY ONE TWO IN MY CASE AND THEN YOU DIE Guess Im just waiting for the arrival of the Grim Reaper himself However the real me has slowly discovered that we are all on a journey here on earth The journey is intended not to be an easy one It is intended for us to learn from the decisions we make using our free will There is much pain suffering disappointment hurt anger and sorrow And hopefully forgiveness There is no hell I believe You are living it everyday the good and the bad A lot more bad than good What is it all for It is for all of us to learn and to grow as human creatures and to eventually flourish in a place where we will discover peace love harmony Where In the hereafter In that warmth of the Light we hear so much about from people returning from the dead In my mind that Light is better known as God That is our eventual reward for everything that is tossed our way here on earth If we learn our lessons well here than we shall be that much closer to the warmth of the Light in the hereafter If we learn little and cause much pain and anguish to others than we shall be the farthest from the Light but always given opportunities to proceed forward We do this by realizing our indiscretions and asking for forgiveness for our actions on earth when arriving in the hereafter and then performing duties and working toward the Light Boy do I hope I am right about this Believe it or not I actually look forward to being greeted someday by my loved ones and all the pets in the hereafter I got along better with my pets than with some of my crazy relatives and friends So in the chapters that follow I will allow you to make your own judgments As you read on and we share the good times and the pitiful times always with a sense of humor I hope I will honestly try to elaborate on the Lessons Learned from this journey that has been all too short Perhaps through me you can make adjustments and just perhaps not do the same stupid things that I have done so many times in the last half century How to Marry Money Susan Wright,1995 **Smart Girls Marry Money** Elizabeth Ford,Daniela

Drake,2009-05-05 Why does society applaud a girl who falls for a guy s big blue eyes yet denounces one who chooses a man with a big green bankroll After all isn t earning power more a reflection of a man s values and character Smart Girls Marry Money challenges the ideals and assumptions women have blindly accepted about love and marriage and shows how they ve done so at their own economic peril In this brazen manifesto authors Elizabeth Ford and Daniela Drake use cold hard facts real science and true stories to present a compelling case for why mercenary marriages make the most sense for future happiness Smart Girls taps into a growing collective suspicion that the post feminist world isn t all it s cracked up to be Female empowerment has women working hard to look sexier than ever while carrying more than their fair share financially Yet sadly statistics prove that not only do women continue to earn far less than their male counterparts they also suffer far more economically when marriages fail Ford and Drake think it s high time that women get their heads out of the clouds and start caring about their own security the kind that can be measured in dollars and common sense With an irreverent straight

talk tone the authors serve up a sound case and intriguing strategy for how women can truly have it all Sure to spark conversation and controversy Smart Girls Marry Money will ultimately empower women with a new way to take control of both their economic and romantic lives
