Marrying Of Anne Of Cleves:

The Marrying of Anne of Cleves Retha M. Warnicke,2000-04-13 A study of the marrying of Anne of Cleves to Henry VIII and of sexual court politics *Anne of Cleves* Elizabeth Norton,2009-10-15 The first major biography of Henry VIII least favourite wife but the one who outlived them all *Anne of Cleves* Mary Saaler,1995 Many possible brides were hesitant to marry Henry VIII a man notorious for his treatment of previous wives Because no woman emerged as the obvious choice Thomas Cromwell s assessment of the religious and political pressures of the late 1530s led him to suggest one of the two daughters of the safely Protestant Duke of Cleves as a prospective bride Anne was chosen largely on the basis of her portrait and traveled quickly to England to be Henry s new queen The marriage like Henry s others was not a success and after a brief reign of just six months Anne was a queen unqueened However she was still alive divorced and wealthy and unlike other portraits this book covers her many succeeding years of independence This is the fascinating story of one of the most powerful women in 16th Century Europe and also an intriguing portrait of a loveless marriage Why Did Henry VIII Marry Six Times? John Gorman,2005-09 This series has been created to support the schemes of work in the History Curriculum at Key Stage 2 Each spread addresses a particular topic Text is clear and divided into easily digestible paragraphs whilst key words are highlighted Suggestion boxes provide activities and tips for the reader *Anne of Cleves* Sarah-Beth Watkins,2018-10-26 Anne of Cleves left her homeland in 1539 to marry the king of England She was never brought up to be a queen yet out of many possible choices she was the bride Henry VIII chose as his fourth wife Yet from their first meeting the king decided he liked her not and sought an immediate divorce After just six months their marriage was annulled leaving Anne one of the wealthiest women in England This is the story of Anne s marriage to Henry how the daughter of Cleves survived him and her life afterwards **Six Wives** David Starkey,2009-10-13 The dramatic legendary story of Henry VIII his six wives and the England they ruled told by one of the world s preeminent historians of the Tudor era Extraordinary It is a tribute to Starkey s narrative drive his puckish wit and sharp discrimination that it doesn t seem a page too long With each queen Starkey offers a vivid character study but also has fresh discoveries that subtly alter the picture he started out with Sunday Times London No one in history had a more eventful career in matrimony than Henry VIII His marriages were daring and tumultuous and made instant legends of six very different women In this remarkable study David Starkey argues that the king was not a depraved philanderer but someone seeking happiness and a son Knowingly or not he elevated a group of women to extraordinary heights and changed the way a nation was governed Six Wives is a masterful work of history that intimately examines the rituals of diplomacy marriage pregnancy and religion that were part of daily life for women at the Tudor Court Weaving new facts and fresh interpretations into a spellbinding account of the emotional drama surrounding Henry s six marriages David Starkey reveals the central role that the queens played in determining policy With an equally keen eye for romantic and political intrigue he brilliantly recaptures the story of Henry s wives and the England they ruled
