an unconscious man on her deserted country road and sees that it's Lucien she's tempted to leave him there But even more appalling than his presence is the brazen kiss he plants on her shocked lips and her response So it would be totally insane to take him home to recover wouldn't it Except For One Small Thing Lucien dares not reveal why he's returned to his country estate or why he abandoned the strong-willed beauty years ago Especially since Arabella clearly has secrets of her own But when her scheming marriage-minded aunts successfully compromise them the two are forced to become man and wife Which makes it ever harder for both to battle the passion that never disappeared
