## **Martin Of Tours:**

**Martin of Tours** Régine Pernoud, 2006 Regine Pernoud the highly acclaimed French medieval historian and author of best selling titles on Joan of Arc and Hildegard of Bingen as well as the book *Those Terrible Middle Ages* presents an enlightening biography of one of France's most revered saints and man whose impact on France and Europe continues to this day. Martin of Tours lived in the 4th century at that great turning point in history when the Roman Empire fell and the Church took charge in the West. He left a successful career in the military life to become a monk and later a Bishop who traveled extensively evangelizing the countryside and creating that particular sort of community life in a village that is now called a parish. More than four hundred towns and some four thousand parishes in France are named after St Martin. The term chapel is derived from the actual church where pilgrims venerate Martin's cape or cloak. Martin of Tours was a servant of the common man as well as the nobility and a very humble man who responded to the needs of his times and opened up vast perspectives for ordinary everyday life. Given the crisis of the Christian Faith now facing France and all of Europe the story of this solid and great apostle and Christian evangelist is a timely one indeed. **The Life of St Martin of Tours** Sulpitius Severus, 2013-10 St Martin the Bishop of Tours is a saint from France from the 5th century A.D. He was a soldier in the Roman army till he was attracted to the monastic life. He was later ordained a priest then a bishop of the city of Tours. The Coptic Church celebrates his feast on the 14th of Hاتور. All Time Heroes from all Times is a series that we plan to publish for a long time. This series presents the lives of some of the church saints and heroes of faith from the time of Jesus till today. Some of these books will be printed others will only be available in Kindle format. **St. Martin of Tours** Henri Ghéon, 1946

**Saint Martin of Tours** Saint Sulpitius Severus, Aeterna Press, 2015-09-05 SEVERUS to his dearest brother Desiderius sendeth greeting. I had determined my like minded brother to keep private and confine within the walls of my own house the little treatise which I had written concerning the life of St Martin. I did so as I am not gifted with much talent and shrink from the criticisms of the world lest as I think will be the case my somewhat unpolished style should displease my readers and I should be deemed highly worthy of general reprehension for having too boldly laid hold of a subject which ought to have been reserved for truly eloquent writers. But I have not been able to refuse your request again and again presented. For what could there be which I would not grant in deference to your love even at the expense of my own modesty. While the saint and his cult have been researched comprehensively in Germany and France his cult in the British Isles proves to be fairly unexplored. Andre Mertens closes this gap for Anglo Saxon England by editing all the age's surviving texts on the saint including a commentary and
