**The Problem with Being a Person** Talia Pollock, 2025-06-10 Escape the race to happiness build a life of value and resist the pull of self help You ve heard this story outwardly woman was living the dream Inwardly woman was drowning in despair It s what happened next that sets this tale apart Many of us go through life believing that something about us is not normal enough So we devote

ourselves to the endless pursuit of self improvement That s what Talia Pollock decided to do In her quest to feel better Talia Pollock got seduced by self help trends that offered fleeting solace but failed to soothe the depths of her inner turmoil Conventional remedies like medication and therapy provided a semblance of relief but didn t ease the angst she felt inside It wasn t until she discovered Existentialist philosophy that she discovered is that what we re told is abnormal is actually entirely human and it s our attempts to cure ourselves of our humanity will eventually drive us mad Echoing the timeless wisdom of philosophers and the timely research of social scientists Pollock offers a modern take on finding the courage to create your own version of satisfaction Pollock s sincere retelling of her own experiences urges readers to question conventional notions of happiness embrace contentment as a lasting source of well being navigate the challenges of a comfortably uncomfortable life Whether you re grappling with existential questions seeking to break free from societal expectations or yearning for a deeper sense of fulfillment *The Problem with Being a Person* offers a powerful message for prioritizing self acceptance over self improvement
