Marxism And Morality Hardcover:

Marxism, Morality, and Social Justice Rodney G. Peffer, 2014-07-14 The interpreter of Marx's writings faces the task of reconciling on the one hand Marx's frequent explicit condemnations and criticisms of morality and on the other the obvious way in which his world view reflects substantive moral judgments In this book R G Peffer tackles the challenges of finding in Marx's work an implicit moral theory of answering claims that Marxism is incompatible with morality and of developing the outlines of an adequate Marxist moral and social theory Peffer analyzes the moral components of Marx's thought and considers all the major interpretations of his moral perspective he concludes that Marx is a mixed deontologist who is most committed to a maximum system of equal freedoms both positive and negative He then utilizes contemporary metaethical theory to show that Marxism is compatible with morality in general and with the concepts of justice and rights in particular Peffer proposes a radically egalitarian theory of social justice which subsumes Marx's own moral theory and a minimal set of Marxist empirical theses which together entail the Marxist's basic normative political positions This book demonstrates that contemporary analytic political philosophy is invaluable for coming to terms with Marxism and that it is only Marx's less abstract empirical theories about classes and class struggle the dysfunctions of capitalism and the possibility of creating democratic self managing postcapitalist societies that are needed for the development of an adequate Marxist moral and social theory Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Marxism and Morality Steven Lukes, 1985 It is reported that the moment anyone talked to Marx about morality he would roar with laughter Yet plainly he was fired by outrage and a burning desire for a better world This paradox is the starting point for *Marxism and Morality* Discussing the positions taken by Marx Engels and their descendents in relation to certain moral issues Steven Lukes addresses the questions on which Marxist thinkers and actors have taken a number of characteristic stands as well as other questions personal relations and the moral virtues of the individual for example on which Marxism falls silent A provocative exploration of the gray area where Marxism and morality meet this book argues that Marxism makes a number of major moral claims and that its appeal has always been in large part a moral one

Marxism And The Moral Point Of View Kai Nielsen, 2021-11-28 *Marxism and the Moral Point of View* attempts to say what consistent Marxists working within the parameters of the canonical conceptions of Marxism should say about morality This includes what they should say about the function of morality in society about the extent of moral comment they can justifiably make and about freedom equality and justice including the justice of whole social formations Karl Marx and most Marxists follow him was opposed

Books in Print ,1969 Marxism, Morality, and Social Justice Rodney G. Peffer, Marxism and Morality Nicholas Churchich,2022-01-01 Karl Marx promised in the preface to his Economic and Philosophic Manuscripts of 1844 that he would write an independent pamphlet on ethics Although he never did so in his later writings he discussed morality extensively Later commentators were more concerned with other aspects of Marx s thought and largely neglected this area As a result Nicholas Churchich s exposition of Marx s thoughts on morality has become the standard work on the subject Thoroughly researched well reasoned and balanced in its argument Marxism and Morality presents a comprehensive and critical analysis of Marx s and Engel s ideas on morality and ethics analysing both strengths and weaknesses Churchich examines morality in its bourgeois and proletarian forms the origin and development of moral ideas moral values and standards egoism and altruism He explores the role of religion and science in communist ethics and discusses the ends and means in the struggle for a classless society Praised by those on both sides of the political divide for his objectivity Churchich s approach remains the definitive evaluation of the ethical arguments of Marxism New Left Review ,2012 **Marx, Morality, and the Virtue of Beneficence** Robert T. Sweet,1991 This book presents a reconstruction of Marx moral theory Marx held a moral theory as the basis of his condemnation of capitalism His theory relies on a normative view of human nature On this view humans have the potential to become free creative truly social producers For Marx this is the highest good for humans On this reconstruction truly social gets explicated as humans acquiring through historical development the virtue of beneficence This virtue eliminates the need for a theory of rights for communist society and finds its beginning in proletarian revolutionary motivation within capitalism In addition Marx held the communist distribution principle to be normative though non juridical **Marx, Justice and History** Marshall Cohen,2014-07-14 The political and ideological turmoil of the late 1960 s stimulated among Anglo American philosophers a new interest in applying moral philosophy to the problems of contemporary society and a search for critical perspectives on Marx and Marxist thought These essays originally published in Philosophy Public Affairs contribute to both these areas in the form of new Marxist scholarship and in illuminating the way in which Marxist criticism and social theory bear on contemporary analytic moral philosophy and current moral problems Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Marxism and Ethics** Eugene Kamenka,1969-06-18 *The Moral Landscape* Sam Harris,2011-09-13 Sam Harris dismantles the most common justification for religious faith that a moral system cannot be based on science Analyzing Marx Richard W. Miller,2020-10-06 In this book Marx is revealed as a powerful contributor to the debates that now dominate philosophy and political theory Using the techniques of

analytic philosophy to unite Marx's general statements with his practice as historian and activist Richard W Miller derives important arguments about the rational basis of morality the nature of power and the logic of testing and explanation The book also makes Marx's theory of change useful for current social science by replacing economic determinist readings with a new interpretation in which systems of power relations are the basis of change Part One discusses Marx's criticisms of the moral point of view as a basis for social choice The outlook that emerges is humane but antimoral Part Two argues that Marx's concept of the ruling class is a means of measuring political power that is ignored yet urgently needed by present day social science Part Three bases Marx's theory of history on the dynamics of power challenging both the standard economic determinist readings of the theory and standard conceptions of science

Marx and Morality Kai Nielsen, Steven C. Patten, 1981

Young Socialist, 1966

Marxism and Ethics Paul Blackledge, 2012-02-14 Marxism and Ethics is a comprehensive and highly readable introduction to the rich and complex history of Marxist ethical theory as it has evolved over the last century and a half Paul Blackledge argues that Marx's ethics of freedom underpin his revolutionary critique of capitalism Marx's conception of agency he argues is best understood through the lens of Hegel's synthesis of Kantian and Aristotelian ethical concepts Marx's rejection of moralism is not as suggested in crude materialist readings of his work a dismissal of the free purposive subjective dimension of action Freedom for Marx is both the essence and the goal of the socialist movement against alienation and freedom's concrete modern form is the movement for real democracy against the capitalist separation of economics and politics At the same time Marxism and Ethics is also a distinctive contribution to and critique of contemporary political philosophy one that fashions a powerful synthesis of the strongest elements of the Marxist tradition Drawing on Alasdair MacIntyre's early contributions to British New Left debates on socialist humanism Blackledge develops an alternative ethical theory for the Marxist tradition one that avoids the inadequacies of approaches framed by Kant on the one hand and utilitarianism on the other

Marx's Ethics of Freedom George G Brenkert, 2013-10-17 This book reveals Marx's moral philosophy and analyzes its nature The author shows that there is an underlying system of ethics which runs the length and breadth of Marx's thought The book begins by discussing the methodological side of Marx's ethics showing how Marx's criticism of conventional morality and his views on historical materialism determinism and ideology are compatible with having an ideological system of his own In the light of contemporary social moral and political philosophy the insights and defects of Marx's major ethical themes are discussed

Marxism And Morality Hardcover Introduction

In the digital age, access to information has become easier than ever before. The ability to download Marxism And Morality Hardcover has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Marxism And Morality Hardcover has opened up a world of possibilities. Downloading Marxism And Morality Hardcover provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Marxism And Morality Hardcover has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Marxism And Morality Hardcover. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Marxism And Morality Hardcover. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Marxism And Morality Hardcover, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Marxism And Morality Hardcover has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
