The Trade of Queens Charles Stross, 2010-04-01 A dissident faction of the Clan the alternate universe group of families that has traded covertly with our world for a century or more have carried nuclear devices between the worlds and exploded them in Washington DC killing the President of the United States Now they will exterminate the rest of the Clan and keep Miriam alive only long enough to bear her child the heir to the throne of their land in the Gruinmarkt world The worst and deepest secret is now revealed behind the horrifying plot is a faction of the US government itself preparing for a political takeover in the aftermath of disaster There is no safe place for Miriam and her Clan except perhaps in the third alternate world New Britain which has just had a revolution and a nuclear incident of its own Charles Stross's Merchant Princes series reaches a spectacular climax in this sixth volume Praised by Nobel laureate Paul Krugman as great fun this is state of the art cutting edge SF grown out of a fantastic premise At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Traders' War Charles Stross, 2014-01-07 The Traders War an omnibus edition of the third and fourth novels in Charles Stross's Merchant Princes series Miriam was an ambitious business journalist in Boston Until she was fired then discovered to her shock that her lost family comes from an alternate reality And although some of them are trying to kill her she won't stop digging up secrets Now that she knows she's inherited the family ability to walk between worlds there's a new culture to explore Her alternate home seems located around the Middle Ages making her world hopping relatives top dogs when it comes to importing guns and other gadgets from modern day America Payment flows from their services to U S drug rings after all world skipping drug runners make great traffickers In a land where women are property she struggles to remain independent Yet her outsider ways won't be tolerated and a highly political arranged marriage is being brokered behind her back If she can stay alive for long enough to protest These books are immense fun Locus At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Family Trade Charles Stross, 2010-04-01 A bold fantasy in the tradition of Roger Zelazny's Chronicles of Amber The Merchant Princes is a sweeping new series from the hottest new writer in science fiction Miriam Beckstein is happy in her life She's a successful reporter for a hi tech magazine in Boston making good money doing what she loves When her researcher brings her iron clad evidence of a money laundering scheme Miriam thinks she's found the story of the year But when she takes it to her editor she's fired on the spot and gets a death threat from the criminals she has uncovered Before the day is over she's received a locket left by the mother she never knew the mother who was murdered when she was an infant Within is a knotwork pattern which has a hypnotic

effect on her Before she knows it she s transported herself to a parallel Earth a world where knights on horseback chase their prey with automatic weapons and where world skipping assassins lurk just on the other side of reality a world where her true family runs things The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes a mixture of nobility and criminal conspirators whose power to walk between the worlds makes them rich in both Braids of family loyalty and intermarriage provide a fragile guarantee of peace but a recently ended civil war has left the families shaken and suspicious Taken in by her mother s people she becomes the star of the story of the century as Cinderella without a fairy godmother As her mother s heir Miriam is hailed as the prodigal countess Helge Thorold Hjorth and feted and feasted Caught up in schemes and plots centuries in the making Miriam is surrounded by unlikely allies forbidden loves lethal contraband and most dangerous of all her family Her unexpected return will supercede the claims of other clan members to her mother s fortune and power and whoever killed her mother will be happy to see her dead too Behind all this lie deeper secrets still which threaten everyone and everything she has ever known Patterns of deception and interlocking lies as intricate as the knotwork between the universes But Miriam is no one s pawn and is determined to conquer her new home on her own terms Blending the creativity and humor of Roger Zelazny the adventure of H Beam Piper and Philip Jose Farmer and the rigor and scope of a science fiction writer on the grandest scale Charles Stross has set a new standard for fantasy epics At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Janus, Merchant Prince Reinout Vos, 2022-07-04 The Janus face of the Dutch East Indies Company representing a merchant on one side and a prince on the other has long puzzled historians How could a commercial enterprise firmly rooted in a tradition of free trade turn into a powerful monopolistic empire the moment its ships rounded the Cape of Good Hope This book based on Company archives and Malay historical material offers a reconstruction of the VOC s double role in the complex world of eighteenth century Malay court politics It describes the successes and failures of the VOC s political trade system as practised in its tin trade in the Straits of Malacca from 1740 to 1800 Careful consideration is given to the Company s relations with the sultanates of Palembang and Johore and the position of the VOC with respect to its English and Chinese competitors The author s main thesis is that the VOC s political mode of operation far from being a deviation from its proper merchant s role was an essential means to achieving success trade privileges were bought by rendering political support to indigenous princes Contrary to popular opinion however the system was not based on forced deliveries the merchant prince s iron hand When this resulted in stable and friendly alliances gentle Janus s system could bear fruit even in the difficult years of the late eighteenth century

The Making of an Indian Metropolis Prashant Kidambi, 2007-01-01 This book investigates the social history of colonial Bombay in the late Victorian and Edwardian eras Drawing together strands that have hitherto been treated separately and based on a wide range of untapped archival sources this book offers the first systematic analytical account of historical change in a modernizing colonial city In highlighting the colonial experience of historical processes that have attracted considerable attention in recent scholarship it restores the much neglected global dimension to a comparative discussion of these themes At the same time the volume demonstrates the manner in which the globalizing forces unleashed by European imperialism were appropriated and transformed in the colonial context
