**Merde Happens** Stephen Clarke, 2008-03-24 Paul West is in deep financial merde His only way out of debt is to accept a decidedly dodgy job that involves him touring America in a Mini while pretending to be typically British Also in the car is Paul's French girlfriend Alexa and his American

**Merde Actually** Stephen Clarke, Dave John, 2007-10 A year after arriving in France Englishman Paul West is still struggling with some fundamental questions What is the best way to scare a gendarme Why do French job applicants put sexually transmitted diseases on their CVs Why are there no public health warnings on French nudist beaches And how do you cope with a plague of courgettes Paul also mutates temporarily into a Parisian waiter samples the pleasures of typically French hotel room afternoons and on a return visit to the UK sees the full horror of a British office party through Parisian eyes Meanwhile he continues his search for the perfect French mademoiselle But will Paul find l amour ternel or will it all end in merde

**Year in the Merde** Stephen Clarke, 2005-05-31 Based loosely on his own experiences and with names changed to avoid embarrassment possible legal action and to prevent the author's legs being broken by someone in a Yves Saint Laurent suit or quite possibly a Christian Dior skirt A Year in the Merde is the almost true account of Paul West's adventures as an expat in Paris Brought to Paris by a French company to open a chain of British tea rooms Paul a twenty seven year old Brit soon finds himself managing a group of lazy grumbling French employees

manoeuvring around a slick treacherous Parisian boss and lucking into a succession of lusty girlfriends one of whom happens to be the boss's morally challenged daughter Immersed in the contradictions of French culture he learns how to get the best out of the grumpiest Parisian waiter how to survive a French business meeting and how not to buy a house in the French countryside *A Brief History of the Future* Stephen Clarke, 2011-07-07 What if teleportation was really possible Englishman Richie Fisher is about to find out Richie and his wife Clara have won a weekend in New York in a newspaper competition While Clara is off blowing their spending money Richie wanders aimlessly chewing on a veggie burger ending up in a gift shop where he finds himself standing in front of an instant transporter machine It looks nothing like the open plan teleporter on Captain Kirk's Starship Enterprise in fact it seems more like a glorified microwave oven Richie places his burger inside hits the return key on the linked up computer and the burger disappears But if he can teleport a half eaten veggie burger what else could you do with the machine For criminals the possibilities are endless Who could catch you if you beamed drugs into nostrils a hundred miles away And how much would illegal immigrants pay to be teleported into the rich host country of their choice Richie buys a teleporter and takes it back to England where the chaos begins **Dirty Bertie: An English King Made in France** Stephen Clarke, 2014-05-22 The entertaining biography of Edward VII and his playboy lifestyle by Stephen Clarke author of 1000 Years of Annoying the French and A Year in the Merde Despite fierce opposition from his mother Queen Victoria Edward VII was always passionately in love with France He had affairs with the most famous Parisian actresses courtesans and can can dancers He spoke French more elegantly than English He was the first ever guest to climb the Eiffel Tower with Gustave Eiffel in defiance of an official English ban on his visit He turned his French seduction skills into the diplomatic prowess that sealed the Entente Cordiale A quintessentially English king Pas du tout Stephen Clarke argues that as Dirty Bertie Edward learned all the essentials in life from the French *How the French Won Waterloo - or Think They Did* Stephen Clarke, 2015-06-04 Published in the 200th Anniversary year of the Battle of Waterloo a witty look at how the French still think they won by Stephen Clarke author of 1000 Years of Annoying the French and A Year in the Merde Two centuries after the Battle of Waterloo the French are still in denial If Napoleon lost on 18 June 1815 and that's a big if then whoever rules the universe got it wrong As soon as the cannons stopped firing French historians began re writing history The Duke of Wellington was beaten they say and then the Prussians jumped into the boxing ring breaking all the rules of battle In essence the French cannot bear the idea that Napoleon their greatest ever national hero was in any way a loser Especially not against the traditional enemy les Anglais Stephen Clarke has studied the French version of Waterloo as told by battle veterans novelists historians right up to today's politicians and he has uncovered a story of pain patriotism and sheer perversion **Reading on Location** Luisa Moncada, 2016-12-01 From the charming city of Bath featured in Jane Austen's Persuasion to the Amazon of Mario Vargas Llosa's La Casa Verde this unique travel guide brings you to the places you've only read about Whether you want to learn more about a destination or follow in the footsteps of a favorite character Reading
