

# *The Merton Prayer*

MY LORD GOD.

*I have no idea where I am going.*

*I do not see the road ahead of me.*

*I cannot know for certain where it will end.*

*Nor do I really know myself, and the fact that I think I am following YOUR WILL does not mean that I am actually doing so. But I believe that the desire to please YOU does in fact please YOU.*

*And I hope I have that desire in all that I am doing.*

*I hope that I will never do anything apart from that desire.*

*And I know that if I do this, YOU will lead me by the right road, though I may know nothing about it.*

*Therefore, I will trust YOU always though I may seem to be lost and in the shadow of death.*

*I will not fear, for YOU are ever with me, and YOU will never leave me to face my perils alone.*

**Merton's Theology of Prayer** John J Higgins,1971      **Thomas Merton on Prayer** John J. Higgins,1973      Praying the Psalms Thomas Merton,1956 Merton shows us how to draw out the richness of worship from the psalter and to use it to achieve the peace that comes from submission to God s will and from perfect confidence in him Catholic Review Service

*The Theology of Prayer in the Spirituality of Thomas Merton* John J. Higgins,1971      *The Theology of Prayer in the Spirituality of Thomas Merton* John J. Higgins (S.J.),1971      *The Climate of Monastic Prayer* Thomas Merton,2018-03-13

This guide to monastic prayer written in 1968 and thus turning out to be Thomas Merton s final testament to us is now available in a new edition commemorating the fiftieth anniversary of his death While he wrote it for other monastics all seekers drawn to explore the full dimensions of prayer will be enriched by his words especially as they take on added meaning in today s dizzying world The climate in which monastic prayer flowers is that of the desert where human comfort is absent where the secure routines of the earthly city offer no support and where prayer must be sustained by God in the purity of faith

**From the Stone Age to Thomas Merton** Larry Hart,2018-09-13 This is a book about prayer about Christian prayer about Christian contemplative or meditative prayer as a way of simply being in the loving presence of God It begins with prayer as that natural sense of the divine what has been known for centuries as the sensus divinitatis that consciousness of the mystery of God that is in each of us from the time of our birth There are many ways of praying and they all tend toward contemplation or mysticism That is toward heightening our conscious connection to God our awareness of the love of God our wakefulness to the presence of the Father the Son and the Holy Spirit in us through us and around us By tracing the origins of contemplative prayer its practice through the Old and New Testament Scriptures then across the centuries of the Christian era to the contemporary world it is hoped that the reader will develop a keener appreciation for the depth beauty and richness of the Christian spiritual tradition

**Hopeful Realism in Urban Ministry** Barry K. Morris,2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry s steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another s literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry s engagement of relentless forced option issues yet with significant networks resourcing

Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism s temptation to cynicism Realism saves hope from irrelevancy Merton's Theology of Prayer John J. Higgins (s.j.) 1971
