Management Development Through Cultural Diversity Ronnie Lessem,2005-08-03 This stimulating clearly written and well structured text is a comprehensive introduction to the principles of management and organizational behavior as well as a corrective to the Eurocentric bias of most management texts This book focuses on four domains of management primal rational developmental and metaphysical It develops a transcultural perspective drawing on insights from across the world to examine different management styles cultures and stages of business development Each section examines core management theory and literature cultural orientation and related prominent theo Electoral Guerrilla Theatre L.M. Bogad,2016-03-17 Praise for the First Edition A major contribution to performance studies If cynicism and political quietism have quelled your impulse to rage against this sorry state of affairs Bogad demonstrates with wit and verve that it is possible to expose the sham and through a variety of performative tactics make a meaningful contribution to democracy Modern Drama A compelling and urgent read Bogad s passion for the topic reminds the reader of the exhilaration of live performance and the importance of engagement in democratic life Theatre Journal Delightfully written and wonderfully provocative Valuable reading for any scholar of social movements Mobilization As a guide to both theory and action it is insightful entertaining and indispensable Andrew Boyd Wrangler in Chief Beautiful Trouble Beautifully contextualized within social movement theory this book enlivens the debate about performative interventions into power Jan Cohen Cruz Editor Public A Journal of Imagining America Electoral Guerrilla Theatre deals a refreshing wild card in the repertoire of resistance Baz Kershaw Emeritus Professor University of Warwick and author of The Radical In Performance In liberal democracies across the globe where the right to vote is framed as both civil right and civic duty disillusioned creative activists run for public office on satiric ironic and iconoclastic platforms With little intention of winning in the conventional sense they use drag camp and stand up comedy to undermine the legitimacy of their opponents and sometimes the electoral system itself This revised and updated edition of Electoral Guerrilla Theatre explores the phenomenon of the satirical election campaign and questions the purpose of such public political performances Drawing on extensive archival and ethnographic research this is an entertaining and illuminating read that will be invaluable to students and scholars working across a variety of disciplines including performance studies the social sciences cultural studies and politics New case studies for this edition include Reverend Billy s run for Mayor of New York City in 2009 Stephen Colbert s run for President in 2012 Candidates including Superbarrio the Best Party Antanas Mockus and Einstein the Dog *Kropotkin* Ruth Kinna,2016-01-18 This book provides a re assessment of Kropotkin s political thought and suggests that the classical tradition which has provided a lens for the

discussion of his work has had a distorting effect on the interpretation of his ideas By setting the analysis of his thought in a number of key historical contexts Ruth Kinna reveals the enduring significance of his political thought and questions the usefulness of those approaches to the history of ideas that map historical changes to philosophical and theoretical shifts One of the key arguments of the book is that Kropotkin contributed to the elaboration of an anarchist ideology which has been badly misunderstood and which today is too often dismissed as outdated This sympathetic but critical analysis corrects some popular myths about Kropotkin s thought highlights the important and unique contribution he made to the history of socialist ideas and sheds new light on the nature of anarchist ideology Action Art John Gray,1993-05-30 This comprehensive international bibliography is the first to attempt documentation of this diverse field covering the history of Artist s Performance It focuses on its early twentieth century antecedents in such movements as Futurism Dada Russian Constructivism and the Bauhaus as well as its peak period in the 1950s 1960s and 1970s with such developments as Gutai Fluxus Viennese Actionism Situationism and Guerrilla Art Action Major emphasis is also given to sources on 115 individual performance artists and groups More than 3700 entries document print and media materials dating from 1914 to 1992 Organized for maximum accessibility the sources are also extensively cross referenced and are indexed by artist subject title and author Three appendices identify reference works libraries and archives and addenda material not found in the book text and two others list artists by country and by group or collective The Dutch Kabouters ,1970 **Provo** Richard Kempton,2007 This is the first book length English language study of Holland s legendary insurrectional movement In an introduction and eight chapters Richard Kempton narrates the rise and fall of Provo from early Dutch Happenings staged in 1962 through to the so called Death of Provo in 1967 including Robert Jasper Grootveld s anarchist anti cancer campaigns the riots against Princess Beatrix s marriage to an ex Nazi and the famous White Bicycle program Then in seven appendices he comments on parallel contemporary and near contemporary movements including Dada and Situationism studies Amsterdam s previous anarchist traditions chronicles the spread of Provo through the Netherlands and the development of the Kabouter Gnome party and offers an existentialist critique of Provo and other anarchist movements of the 60s This unique book is based on extensive primary research and includes a selective bibliography of the Dutch language sources National Geographic ,1974 The Anarchist Library Chris Habels Gray,1986 Resurgence ,1972 The Power Motive David G.
