Message Of The New Testament:

The Message of the New Testament Mark Dever, 2005 Dever's expository overview covers the entire New Testament with a focus on the fulfillment of God's Old Testament promises *A Critical Introduction to the New Testament* Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul's decisive influence within the history of the church and western culture **Living the Message of the New Testament** Michael Pennock, 1992-02 Written in accord with the Catechism of the Catholic Church and rooted in the sound catechetical principles of the National Catechetical Directory these texts present a well defined curriculum model that stresses clear objectives careful organization and creative methods and evaluation procedures to check the attainment of goals Very flexible allowing teachers to select materials to highlight and stress each text can be implemented on various grade levels for a quarter a semester or a full year depending on the length and frequency of class meetings Centering on the person of Jesus and the good news he came to preach this text invites students to join the millions of Christians over the centuries who have found the key to life's meaning in the sacred scriptures Exposes them to large portions of the books of the New Testament and continually shows them how to apply the teachings they find to their lives It stresses the joyfulness of the biblical message and its relevance for today while teaching students to pray with scripture *Theology of the New Testament* Rudolf Bultmann, 2007 Originally published New York Scribner 1951 1955 **An Introduction to the New Testament** D. A. Carson, Douglas J. Moo, 2009-05-26 Grasp the message of the New Testament by focusing on the essentials An Introduction

to the New Testament focuses on historical questions dealing with authorship date sources purpose destination and so forth ensuring that the New Testament books will be accurately understood within historical settings For each New Testament document the authors also provide a substantial summary of the book s content discuss the book s theological contribution to the overall canon and give an account of current studies on the book including recent literary and social science approaches to interpretation This second edition reflects significant revision and expansion from the original making this highly acclaimed text even more valuable A new chapter provides a historical survey examining Bible study method through the ages The chapter on Paul has been expanded to include an analysis of debates on the new perspective The discussion of New Testament epistles has been expanded to form a new chapter This new edition is an ideal textbook for seminary students and will help a new generation better grasp the message of the New Testament

Social Message of the New Testament H. Schumacher, 2007-03 SOCIAL MESSAGE OF THE NEW TESTAMENT SOCIAL MESSAGE of the NEW TESTAMENT By H SCHUMACHER D D Professor of New Testament Scripture Author of a Handbook of Scripture Study etc THE BRUCE PUBLISHING COMPANY MILWAUKEE To the Fathers of the Precious Blood at Carthagena Ohio In Grateful Remembrance of Their Kindly Interest and Hospitality While This Book Was Being Written CONTENTS PAGE PREFACE BY THE GENERAL EDITOR xi AUTHORS PREFACE xv PART ONE THE SOCIAL MESSAGE OF CHRIST CHAPTER I FOUNDATION OF THE NEW CHRISTIAN SOCIAL ORDER 3 II THE SOCIAL MESSAGE OF CHRIST S TEACHING IN GENERAL 28 III REFORMATION OF SOCIAL CONDITIONS AND INSTITUTIONS 65 PART TWO SOCIAL MESSAGE OF THE APOSTOLIC AGE IV THE SOCIAL MESSAGE OF THE APOSTOLIC AGE IN GENERAL 131 V APOSTOLIC TEACHING ON SOCIAL CONDITIONS AND INSTITUTIONS 164 CONCLUSION SOCIAL CRISIS AND CATHOLIC ACTION 188 APPENDIX SOCIAL MESSAGE OF THE CHURCH 197 FOOTNOTES 217 INDEX 223 ix PREFACE BY THE GENERAL EDITOR For many years Dr Schumacher has been known as a foremost Scripture scholar The present book however is not written for any special group It is universal in its appeal The message it conveys is for all men Its method of treatment while scientific is popular simple and within the ready comprehension of all It is a book for the many no less than for the few Too little thought has hitherto been devoted to the subject here treated although nothing could well be more important Society today is lacking above all in spiritual vitality It needs the dynamic message of the New Testament to urge it into action Our most enlightened thinkers daily realize more profoundly and all history bears out their contention that a culture whose spiritual life is dying or extinct already carries within it the seed of its own corruption It matters not how prosperous it may outwardly appear The apple ruddiest to the eye is proverbially the one that bears the deadly canker at its core The great nations of the world went down to ruin at the height of their own material display and sensuous enjoyment They became as St Paul found the pagans of his day to be hard cruel without pity given to the lusts of the flesh In our reconstruction of the social order the most essential element is not the choice of systems and techniques but the religious factor The sooner our modern nations will learn this truth the closer they

will find themselves to the realization of their dreams for world betterment world peace social and domestic happiness Through the course of many years the author has revolved in his mind the subject of this book Other volumes dealing with this question have appeared from various non Catholic sources and due reference is made to them Yet something different was needed Theological commentaries could not answer the purpose nor Scripture studies expanded into socio logical essays good though they might be But what was supremely needed was a brief clear authentic exposition of the Scripture passages in the New Testament bearing on the social question Thoughtfully gathered scientifically grouped and systematically built into a constructive message these passages with their authentic exposition could then be presented to Catholic and non Catholic alike as the complete social ideal of the New Testament That is the task the author set himself that is the work he accomplished Fundamental for the authors treatment are the tremendous and far reaching social implications contained in the Our Father establishing the only possible basis for any brother hood of man Of widest application also embracing all who are one in Christ no matter of what race or color or state of life under the sun is the beautiful doctrine of the Mystical Body of the Vine and its branches *The Message of the New Testament* Dr. John Thomas Wylie, 2020-05-29 The title page of the second part of the Christian Bible reads The New Testament ordinarily called The New Covenant The New Testament Or New Covenant is the story of the appearance on earth of Jesus Christ to be the mediator of a new covenant and of his followers who made up the people of the new covenant When Jesus gave his disciples the cup at the Last Supper he stated This cup is the new covenant new agreement in my blood I Corinthians 11 25 cf Mark 14 24 Paul believed himself to be the clergyman of a new covenant II Corinthians 3 6 and Hebrews sees the fulfilment of Jeremiah s prophecy of a new covenant Jeremiah 31 31 34 in the covenant of which Jesus was the mediator 8 8 13 10 16 18 In review the Old Testament the concept of a covenant is key to the comprehension of the Old Testament It is likewise central to the New Testament notwithstanding the way that the word itself happens rarely The new covenant is the fulfilment of the old bringing to realization it promises and not a sharp break from it The concept of covenant ties together as opposed to separating the Old and New Testaments **The Message of the New Testament** Frederick Fyvie Bruce, 1972-01-01

Following Jesus Christ John K. Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and

in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary The Message of the New Testament Dr John Thomas Wylie,2020-05-29 The Title page of the second part of the Christian Bible reads The New Testament ordinarily called The New Covenant The New Testament Or New Covenant is the story of the appearance on earth of Jesus Christ to be the mediator of a new covenant and of his followers who made up the people of the new covenant When Jesus gave his disciples the cup at the Last Supper he stated This cup is the new covenant new agreement in my blood I Corinthians 11 25 cf Mark 14 24 Paul believed himself to be the clergyman of a new covenant II Corinthians 3 6 and Hebrews sees the fulfilment of Jeremiah s prophecy of a new covenant Jeremiah 31 31 34 in the covenant of which Jesus was the mediator 8 8 13 10 16 18 In review the Old Testament the concept of a covenant is key to the comprehension of the Old Testament It is likewise central to the New Testament notwithstanding the way that the word itself happens rarely The new covenant is the fulfilment of the old bringing to realization it promises and not a sharp break from it The concept of covenant ties together as opposed to separating the Old and New Testaments The Essence of the New Testament Elmer L.
