*Major Messages from Minor Prophets* Jeffrey A. Ingraham, 2021-06-21 During

the early part of 2019 our Sunday school lessons centered on the Old Testament prophets particularly the minor prophets It was a great challenge to understand their messages and the messages relevancy for our times It seemed as if there really were no significant differences in these books of prophecy as the minor prophets all seemed to be saying the same thing Of course there are differences in the messages and ministries of the minor prophets hence my attempt to show so My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019 My goal was to make the teachings of the minor prophets understandable to every segment of our membership The approach was more inspirational than overly scholarly Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject The intent was to reference something that the reader could relate to and see how the prophet addresses that matter Of course not every single detail of the prophet s message is included due to the constraints of time etc My hope is that the readers of this book will come to know God better and to have a relationship with him They will see that in spite of people s imperfections our God is perfect and faithful toward us The minor prophets challenge us to live faithfully for God To the extent I have been able to evoke this kind of response from my readers I give all glory and honor to God

Branick, 2012 In this book distinguished biblical scholar Vincent Branick introduces readers to the extraordinary message of the prophets always considered in the context of the historical events and culture of each book In an overview section the study begins with a glance at the phenomenon of prophecy both within and outside of Israel and then outlines the steps needed for the reader to move from an understanding of the historical meaning intended by the authors and editors to hearing the message of the prophets addressed to us In chronological order this study introduces each prophetic book and then examines significant passages concluding with an identification of the major themes and the message of these themes for the modern reader Special attention is focused on the use of these prophetic texts by the New Testament The study recovers the vast complexity and inner conflicts found in these biblical books while gradually unfolding the view of God s love and vulnerability Detailed maps and illustrations assist the reader to follow geographical and historical references

Appendices include Assyrian Babylonian and Persian texts detailed outlines of the biblical books and historical graphs

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon similar in size to the entire New Testament. Yet most believers stay clear of this part of Scripture. They avoid traveling through this forest of oracles and visions. Many preachers also struggle to navigate this unfamiliar territory. Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books. The church however needs to hear and respond to the beauty, depth and relevance of the prophetic message. This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers, small group leaders, youth workers etc to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity and pastoral pulse. This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word.

Message of the Prophets Fredrick Reider, 2017-11-20 What Is Man's Ultimate Goal on Earth? At some point every person has the same questions about life on Earth: Why are we here? What can give more meaning to our lives? What happens after death? Message of the Prophets is an exploration of these questions from a spiritual perspective. Beautifully written in language both poetic and focused, this book presents conclusions drawn from science, philosophy, literature and many different faiths and disciplines but the reader will see that despite their diversity the great thinkers agree. Concise, compassionate and inspiring, Message of the Prophets is the perfect guide for your spiritual journey. Thus Says the Lord Zdravko Stefanovic, 2012 The Message of the Prophets M. R. DeHaan (II.), 1995 The Messages of the Earlier Prophets Frank Knight Sanders, Charles Foster Kent, 1898 The Faith and Message of the Prophets Moses Bottenwieser, 1940
